This price guide is just what I charge people per job. You can change or adjust for your location and demand as needed. Please consider the cost of overhead for your business when you adjust the prices. When first starting out, I recommend an hourly shop rate of \$10 dollars under the competition. Call around and find out their prices. I charge \$65 an hour, but mostly charge by the job, which is why I made this list for you. Remember, to always keep customers numbers and emails to get winter business and new season business. Always remember as well when editing prices always be fair and honest, but reasonable.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
