The Snark Handbook: Parenting Edition Lawrence Dorfman,2013-03-20 Do we dare go after the holiest of institutions that bastion of reverence known as Motherhood and Fatherhood Do we take a chance ticking off the entire world After all we re either a mother or a father or a son or a daughter Are we indeed on Shaky ground Have we finally gotten to the one thing that we shouldn t poke fun at Is the sanctity of our home life the one untouchable Nah Throughout the ages the one constant in literature music film politics and life has been the love hate relationship we have with our parents or kids Whether we ve sucked up to them to get what we want or we ve ignored and alienated them family is the cornerstone for the majority of headaches that we deal with on a daily basis We love them we hate them we resent them we loathe them but unfortunately no matter what they still show up on Thanksgiving and eat the big turkey leg With that said what s a better gift for Mother s Day Father s Day Grandparents Day hell any day where you can tell your loved ones exactly how you feel But one word of caution Be careful They know all your deep dark secrets

The Snark Handbook: Clichés Edition Lawrence Dorfman,2012-10-01 CLICH noun Etymology French literally printer s stereotype from past participle of clic h r to stereotype of imitative origin Date 1892 1 a trite phrase or expression also the idea expressed by it 2 a hackneyed theme characterization or situation 3 something that has become overly familiar or commonplace In the words of Stephen Fry It is a clich that most clich s are true but then like most clich s that clich is untrue Clich s are like rationalizations try going a week without using one It can t be done They are the hobgoblin of little minds For most of us once you begin to take notice they are fingernails on a chalkboard From Shakespeare to Shakira in music on television at the movies in the boardroom on a conference call online or in person clich s have taken over the world While some nitwits might say they re just misunderstood they didn t start out that way There was a time when they were new and vibrant clever and pithy Now

they're just predictable a vapid collection of much too familiar descriptions or metaphors that often replace smart conversation speech or writing This book is a collection of the most overused phrases of all time Hopefully it'll make you laugh Hopefully it'll make them think And at the end of the day if the early bird catches the worm and the slow and steady win the race Please kill me now **The Snark Handbook: Politics and Government Edition** Lawrence

Dorfman, 2012-06-11 Another political year is upon us a year in which we elect another useless figurehead to piss off the masses confuse the classes and above all reward the jackasses It will be a time of fear angst and anger the perfect moment for The Snark Handbook Politics and Government Edition Filled with quotes jokes and timeless snarks this brave foray into the political theater old and new will serve as a priceless source of sanity as you navigate the asylum In the same inimitable style as the previous bestselling Snark titles this timely entry is guaranteed to amuse and entertain The wit and humor of Lawrence Dorfman shines in this collection where he highlights the ineptitude and malice that is American democracy You'll see first hand the shenanigans that started with our Founding Fathers and still continue bravely on today Hail to the Chief
