Benjamin, 2016-12-29 As our six children moved out I would often receive a phone call asking Mom how did you make this What was the secret ingredient As a child I would watch my Mother cook and preserve fruit can and freeze vegetables bake and have family get together s to make Perogys I enjoyed cooking when I first took it in Junior High School and started to collect recipes I did a lot of family history and over the years I also was given many recipes from the family members plus saved many from other resources My Stepfather taught me the cooking of wild game to make it tender When I got married we had our own garden plus raised cattle chickens turkeys pigs rabbits and even tried ostriches We did our own butchering and I learned from my husband's boss how to do make headcheese from the pigs I made cottage cheese and butter from our milk cow I made sourdough from scratch also From our garden we froze a lot of the crop for the winter The fruit we grew got made into jams and jellies as well as the wild fruit that we picked Often we would go picking berries as a family outing or while Roy and I were haying the children would pick wild berries near the fields We would have a treat of fruit at the end of the day and the excess got made into preserves or into juice My one challenge was making bread even with a bread machine It never turned out Roy took over that challenge and got a recipe figured out that even now I cannot fail making bread The

Grandchildren loved helping him make buns When Roy passed away I tried the recipe and when the Grandchildren tried the bread their remark was It taste s just like Grandpa s bread My recipes were in several boxes and I knew where the ones were that I used the most When I started entering my collection into a computer Roy suggested I should make a cookbook because I had a collection of over a century of recipes I have done that now and the collection has recipes from early 1900 s with the old way of the size of the ingredients like amount of butter the size of an egg up to modern amounts I also have enclosed tips that were given to me over the years plus a few old poems that have a special meaning to me **Finch Bakery** Lauren Finch,Rachel Finch,2021-12-14 Welcome to the wonderful world of Finch Bakery Lauren and Rachel Finch founders of Finch Bakery share their best kept secrets to decorating all out celebration cakes and let you in on their top baking techniques to create indulgent brownies and cupcakes decadent macarons stuffed cookies of every kind and your very own versions of their phenomenal signature cake jars Packed with crowd pleasing classics and desserts to impress Finch Bakery has a treat to satisfy every sweet tooth every time *Primrose Bakery Christmas* Martha Swift,2014-10-09 Discover this lavish cookbook from the Primrose Bakery full of scrumptious seasonal treats Christmas time is all about tradition from the songs we sing to the food we eat but from mince pies to Christmas pudding the food of Christmas could always benefit from extra help to make it shine just a little bit brighter The Primrose Bakery has been bringing an extra bit of twinkle to their Christmas baking for over a decade and in this book reveal their unique twists and exciting reinventions of traditional Christmas treats as well as all new recipes to breathe fresh life into your festive baking repertoire The chapters feature over 100 delicious recipes for seasonal cupcakes impressive wintry celebration cakes and stunning dessert centrepieces as well as charming biscuits cinnamon scented loaves indulgent bars and brownies and wonderfully personal edible gifts Step by step sequences reveal the secrets behind assembling a perfect layer cake building a magnificent gingerbread house from scratch and rolling a perfect festive Yule log and in true Primrose Bakery style the recipes are all easy to follow for wonderful results at home From warming Eggnog Cupcakes and decorative and delicious Popcorn Baubles to a lavish Christmas Pavlova Wreath or decadent Christmas Pudding Cake with Mulled Wine Icing this book offers wonderfully festive recipes to make your Christmas baking a triumph **The Krause Berry Farms Cookbook** Sandee Krause,2024-04-30 Instant National Bestseller House Home s Cookbook of the Month Feast on this delicious collection of farm and family favourite recipes from the beloved Krause Berry Farms which has been a Fraser Valley destination for 50 years thanks to its incredible berries vegetables pies waffles and more In the decades since its beginnings as a single acre of strawberries Krause Berry Farms has flourished under the care and passion of the Krause family With their unwavering commitment to ethical and sustainable agriculture the Krauses have grown their Fraser Valley estate into 200 acres devoted to mixed produce four kitchens a market a bakery a waffle bar an ice cream shop and an award winning winery Year after year close to half a million visitors make their way to Krause Berry Farms to revel in a day of family fun and feast on tasty home cooking leaving with baskets of

Biohacker's Magazine Issue 19 , At the end of our lives do we not all have the will to be able to say that we fully lived our life to the extent of our abilities In other words deep down I believe we all have the desire to leave this the world knowing that although we make mistakes and had some pitfalls we did our absolute best to be the highest level of the person we were made to be The reason we all have this desire is not a selfish one but in fact an unselfish one This is because when we are optimizing ourselves to function at our premium versions of ourselves we are providing a stronger more efficient individual to the benefit of the community as a whole Then the question arises how do we know who we are at our maximum level and better yet how do we reach this utmost level of attainment and fulfillment The answer can be summed up to one word Wisdom Wisdom is our best friend It guides us and protects us It strengthens us and nourishes us There are many other words for this Discipline Knowledge etc but Wisdom is perhaps the word with the most meaning When humans make it their mission to grow towards something higher something more transcendent than their baseline selves they are undertaking the process of acquiring wisdom Wisdom can be sought in many ways books orators experiences Biohacking in a most fundamental sense is for all intents and purposes an avenue to acquiring wisdom about ourselves both subjectively and objectively and taking this knowl edge to optimize our entire self soul mind body for purpose of healthy growth and prosperity In our forever increasingly busy world full of languishing and slothful distractions we must continually

fight back the urge to give more of our time to these easy mind numbing diversions and instead see the present and long term benefits of allocating our time towards to pursuit of wisdom and optimization essentially the pursuit of happiness
