Smile: by Raina Telgemeier - Digest and Review Kindle Edition Reader's Companion, 2016-05-12 Smile by Raina Telgemeier Digest Review

Raina Telgemeier is the author of the 1 New York Times Best Seller Smile Her striking memoir Smile started as an episodic internet comic and is now available from GRAPHIX imprint by Scholastic The book is the factual story of Raina's own persistent dental work but it rapidly develops into something more than that Though certainly not being just a simile for difficult teenage years Raina conveys a great adolescence story that is conversant and emotionally resounding and never gazes away from the gracelessness and rough moments that so frequently stay in our thoughts It's a story of growing up the experience of making and losing friends and finding one's true identity All happening due to repeated dentist visits Raina just wishes to be a typical sixth grader But an accident happens one night while returning from a Girl Scouts meeting On her way home Raina trips and falls rigorously losing her two front teeth After that night follows a five year journey involving extensive and infuriating battle with braces surgical treatments humiliating headgear and even wearing fake teeth And in spite of all that trouble there's still more to it like confusion with a boy an earthquake and friends who don't stay friendly for a long time With this digest companion you'll enjoy A digest of the Smile Content for your book club or other group event Stories beyond the digest and tidbits you may not know The book's impact and its important to read And more What other readers are saying You can read it before you read the novel or after you read it as a supplement to the actual book Very concise and helpful for our Book Club It is full of story information interesting facts about the novel and the author as well This overview gave me an idea of what the book covers From it I have been able to decide whether or not to purchase the book The Digest helped clarify the historical background Beautifully written and deeply moving Our promise Reader's Companions bring you immaculate study materials on literature at exceptionally low prices that do not compromise on quality These are supplementary materials and does not contain any text or summary of the book 100% satisfaction guaranteed
