Snidelines Talking Trash To Power:

Observations from the Sideline Coach David Cadle, 2025-10-28 Life is a succession of lessons that must be lived to be understood Ralph Waldo Emerson In coaching there can be greater understanding that comes from standing back evaluating and playing accordingly Observations from the Sideline is a look at some of Coach s life experiences and learning from them Some are subtle some are obvious some are funny and some are not Much like life we can learn what God might be saying or where he may be leading us by standing back a little to evaluate and living accordingly *Playing While White* David J. Leonard, 2017-07-03 *Playing While White* argues that whiteness matters in sports culture both on and off the field Offering critical analysis of athletic stars such as Johnny Manziel Marshall Henderson Jordan Spieth Lance Armstrong Josh Hamilton as well as the predominantly white cultures of NASCAR and extreme sports David Leonard identifies how whiteness is central to the commodification of athletes and the sports they play Leonard demonstrates that sporting cultures are a key site in the trafficking of racial ideas narratives and ideologies He identifies how white athletes are frequently characterized as intelligent leaders who are presumed innocent of the kinds of transgressions black athletes are often pathologized for With an analysis of the racial dynamics of sports traditions as varied as football cycling hockey baseball tennis snowboarding and soccer as well as the reception and media portrayals of specific white athletes Leonard examines how and why whiteness matters within sports and what that tells us about race in the twenty first century United States *Quicks* Kevin Waltman, 2017-01-15 D Bow s game has it all and colleges are taking notice But he s still rehabbing a knee injury and his job as Marion East point guard is under threat Plus he s got family drama And girl trouble Can he put it all together for his senior season Or will he crash and burn like so many Marion East players before him **Showtime** Jeff Pearlman, 2014-03-04 The New York Times bestselling author of *Sweetness* delivers the first all encompassing account of the 1980s Los Angeles Lakers one of professional sports most revered and dominant dynasties The Los Angeles Lakers of the 1980s personified the flamboyance and excess of the decade over which they reigned Beginning with the arrival of Earvin Magic Johnson as the number one overall pick of the 1979 draft the Lakers played basketball with gusto and pizzazz unleashing their famed Showtime run and gun style on a league unprepared for their speed and ferocity and became the most captivating show in sports and arguably in all around American entertainment The Lakers roster overflowed with exciting all star caliber players including center Kareem Abdul Jabbar and they were led by the incomparable Pat Riley known for his slicked back hair his Armani suits and his arrogant strut Hollywood s biggest celebrities lined the court and gorgeous women flocked to the arena Best of all the team was a winner Between 1980 and 1991 the Lakers played in an unmatched nine NBA championship series capturing five of them Bestselling sportswriter Jeff Pearlman draws from almost three hundred interviews to take the first full measure of the Lakers epic Showtime era A dazzling account of one of America s greatest sports sagas Showtime is packed with indelible characters vicious rivalries and jaw dropping behind the scenes

stories of the players decadent Hollywood lifestyles From the Showtime era s remarkable rise to its tragic end marked by Magic Johnson s 1991 announcement that he had contracted HIV Showtime is a gripping narrative of sports celebrity and 1980s style excess
