Moyer,2022-04-04 Simply Captivating Tom Ziglar CEO of Zig Ziglar Let's face it we live in a predominantly negative world and it seems to be getting worse You see it in the economy our politics and our relationships It's evident in the social unrest and the social media And it's easy to get caught in the current of negativity and swept away in pessimism When that happens

it can make our lives and those around us less than joyful even downright miserable. Been there. What's worse if you happen to be a Bible believer who struggles with negativity you can feel ashamed especially if you've been told that people of faith should be happy all the time. Maybe some of the optimists you've met have been so extreme in their positivity they're scary. Or perhaps you're just simply not a natural optimist and want to learn how to have a happier more fulfilling life. If any of this sounds familiar get ready for some good news. There is hope. There are things you can do to become more optimistic. You can actually choose optimism. Gary D Moyer is living proof. Gary grew up with a negative mindset a natural talent for finding the downside to life. Today he is known as an optimist and encourager sharing with people everywhere how to embrace a more positive life. This book is not just a compilation of some nice ideas about optimism but is results oriented giving practical steps you can take right away to begin a new optimistic more fulfilling life including the missing link other self help books miss to help convert your learning into action. *First Class Fatherhood* Alec Lace, 2022-04-12. How Living by Faith in Business Leads to Phenomenal Success. *The Monday Morning Christian* helps believers understand how living out their faith in business every day of the week instead of just on Sunday not only helps them respond to the trials and tribulations in the rough and tumble business world but also how leading God's way leads to a success that outshines what a person can do on their own. Many Christians feel like they can only display their faith at church. Becoming a Monday Morning Christian instead of only a Sunday Morning one will unleash your potential to achieve phenomenal performance. In this book Howard Partridge will teach you how to Understand Your Identity so you can live out of your position instead of your condition.
