Reconceptualising Multilingualism on African Radio Limukani Mathe, Gilbert Motsaathebe, 2025-01-31 This book redefines multilingualism via the concept of radio in Africa Africa presents unique challenges of lingual diversity which the media still struggles to accommodate particularly when it comes to indigenous languages Contributors argue that the linguistic realities of African radio reflect ethnic co existence and fluidity of identity in pre colonial colonial and post colonial contexts They argue that communities consist of several majorized and minoritized indigenous languages which if closely analysed reflect a commonality of multilingualism The book also suggests practical measures through which linguistic co existence could be achieved and explores cases that redefine reconceptualize and reframe multilingualism on African radio

Regime and Education in Zimbabwe Bekithemba Dube, Albert Mufanechiya, 2024-06-10 This collection focuses on the post independence educational development in Zimbabwe It shows how the ZANU PF regime has presided over the demise of education and covers a wide range of topics such as violence against teachers poor salaries student activism minority

languages and curriculum innovations This volume argues that the regime has used education as a tool for repression Curriculum innovations introduced and implemented in Zimbabwe have little to do with improving the performance of the learners and more to do with stopping teachers from pushing the regime change agenda Consequently this has resulted in a nation in crisis marked with high turnover poor economy and mass exodus of teachers and learners The contributors to this volume make various suggestions which could recenter education towards addressing the experiences of the learners as opposed to being used as a tool to push repression and thwart democracy

Misogyny across Global Media Maria B. Marron, 2021-03-01 Misogyny across Global Media argues that although women's experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility across the globe Contributors demonstrate how systemic misogyny and power inequities are at the root of women's suffering at the hands of misogyny with consequences ranging from sexual harassment to rape and even murder This book provides an interdisciplinary overview of systemic misogyny worldwide analyzing specific cases such as the controversial Child Marriage Act in Bangladesh sexual harassment in India's Bollywood culture rape culture among military forces in Jammu and Kashmir the murder of female students in Kenya and femicide in Turkey This collection discusses how misogyny creates a clash of cultures between men and women the powerful and the oppressed and the conservative and the liberal and uncovers the evils that are perpetrated against women worldwide as a result of systemic misogyny Scholars of gender studies media studies and cultural studies will find this book particularly useful

STEM Education in Poverty Brantina Chirinda, Gladys Sunzuma, Perkins Muredzi, 2025-07-15 This book is about Science Technology Engineering and Mathematics STEM education in poverty and the lessons we learn from Zimbabwe The world is driving towards the fourth Industrial Revolution 4IR where economic growth has been attributed to STEM education STEM education is vital in this era where both developed and developing countries are undergo rapid changes Globally STEM education has been practised differently in schools and universities University programs new school curricula instructional methods extracurricular programs and professional development programs for in service teachers have been created to cater to STEM subjects STEM education is envisioned to produce critical thinkers inventors creators problem solvers innovators and professionals who will solve the world's ever changing challenges including inequity food insecurity climate change inequality and poverty STEM is essential to modern education Zimbabwe has faced significant economic challenges but has made remarkable strides in STEM education By examining the successes and challenges of STEM education in Zimbabwe we can learn valuable lessons about improving STEM education in underserved communities This book contributes to the international debate surrounding the optimal STEM education for students in underserved schools It incorporates detailed accounts of STEM education in Zimbabwe schools shedding light on the challenges students and educators face in impoverished areas In Zimbabwe STEM education faces significant challenges such as materials and facilities pedagogy policy reform access and relevance Some of the main issues highlighted in this book

are the need for more resources including funding teaching materials and adequate laboratories Effective STEM pedagogy is hampered by an education system that emphasises the curriculum and teacher centred focus instead of focusing on how students can be taught or learn Research has shown that in Zimbabwe STEM teachers must apply inventive pedagogies and suitable learner centred STEM teaching approaches As a result there is a need for more STEM related programs and courses in schools and universities to improve the opportunities for students to pursue careers in these fields Another challenge is the need for more awareness about the opportunities and importance of STEM education and interest in STEM subjects among students which can be attributed to a lack of exposure and understanding of the relevance and importance of these fields in today s world While lack of resources and other challenges hinder effectiveness opportunity lies in promising pathways of policy and practice In Zimbabwe there is a varying degree of success in the implemented competence based curriculum which emphasises inquiry based learning and STEM education Finally there is a need for early exposure to STEM based career opportunities and for more collaboration between the government private sector and educational institutions to address these challenges and promote STEM education in Zimbabwe This book uses Zimbabwe as an example to explore STEM education in poverty By examining the successes and challenges of STEM education in Zimbabwe this book offers valuable insights into how STEM education can be integrated into the curriculum in countries with developing and emerging economies This book is an essential resource for anyone interested in improving STEM education in underserved communities

Restoring the Educational Dream.
Rethinking Educational Transformation in Zimbabwe Shizha, Edward,2013-12-07 The role of education in human well being and social development cannot be overestimated After a number of highly commendable policies on education in the first decade of independence the education system in Zimbabwe has taken a tumble that needs both examining and rectifying This volume analyses the challenges facing the education system in Zimbabwe and explores and scrutinises theoretical and practical possibilities for restoring the educational dream that was initiated at independence in 1980 The book is targeted at academics scholars college and university students policy makers and other stakeholders and advocates a multi pronged approach that must involve all stakeholders if educational retransformation reconstruction and restoration are to be achieved

The authors provide a range of recommendations for a project that would restore the educational dream in Zimbabwe

Implementing Deeper Learning and 21st Century Education Reforms Fernando M. Reimers, 2020-11-04 This open access book is a comparative analysis of recent large scale education reforms that broadened curriculum goals to better prepare students for the 21st century The book examines what governments actually do when they broaden curriculum goals with attention to the details of implementation To this end the book examines system level reforms in six countries at various levels of development The study includes system level reforms in jurisdictions where students achieve high levels in international assessments of basic literacies such as Singapore and Ontario Canada as well as in nations where students achieve much lower levels such as Kenya Mexico Punjab Pakistan and Zimbabwe The chapters examine system level reforms that focus on strengthening the capacity to teach the basics as in Ontario and Pakistan as well as reforms that aim at building the capacity to teach a much broader set of competencies and skills such as Kenya Mexico Singapore and Zimbabwe The volume includes systems at very different levels of spending per student and reforms at various points in the cycle of policy implementation some just starting some struggling to survive a governmental transition and others that have been in place for an extended period of time From the comparative study of these reforms we aim to provide an understanding of how to build the capacity of education systems to teach 21st century skills at scale in diverse settings **Reformas educativas del**

siglo XXI para un aprendizaje más profundo Fernando M. Reimers, 2022-01-31 Existe un consenso amplio en el plano internacional sobre el doble desafío que la pandemia del Coronavirus dejar tras de sí la mejora necesaria de la calidad de la educación y las restricciones de recursos disponibles para financiarla El primero de ellos supone ampliar la perspectiva de la educación orientándola hacia aprendizajes más profundos o competencias para el siglo XXI El segundo plantea el cómo asegurar una buena utilización de los recursos educativos disponibles para implementar de un modo efectivo reformas ambiciosas en contextos de restricciones financieras La obra partiendo de un análisis internacional comparado presenta la experiencia de seis países diversos con capacidades institucionales y financieras muy diferentes lo que permite ampliar el horizonte de la comparación Para ello examina Sistemas educativos con niveles muy diferentes de gasto por estudiante Reformas sistémicas que han prestado una especial atención al fortalecimiento de la capacidad para enseñar los aspectos básicos del currículo como en Ontario Canadá y el Punjab Pakistán Reformas que han buscado desarrollar capacidades para enseñar un conjunto de competencias y destrezas mucho más amplio como en Kenia México Singapur y Zimbabue Reformas emprendidas en momentos distintos del ciclo de implementación de las políticas en algunos casos apenas incipientes como Kenia y Zimbabue en otros como México luchando por sobrevivir a una transición gubernamental y aún en otros como Ontario Punjab y Singapur donde esos ciclos existen desde hace tiempo A partir del estudio comparado de todo lo anterior se extraen algunas lecciones sobre la puesta en práctica de reformas educativas orientadas a enseñar las competencias del siglo XXI en entornos diversos A la vista de los diferentes análisis se advierte que la educación del siglo XXI sigue siendo un objetivo

huidizo abrazado de forma retorica por reformas de los sistemas educativos en diversas fases de implementaci n pero que todav a no se refleja en la aplicaci n de estrategias capaces de estar a la altura de las expectativas generadas El libro pretende promover el di logo social sobre c mo compensar los costes educativos que dejar tras de s la pandemia y sobre c mo lograr que a su t rmino hayamos sido capaces de construir mejores sistemas educativos alrededor del mundo

Why History Education? Joanna Wojdon,2023-03-15 The 2022 issue of JHEC is focused on the topic Why History Education addressing the sense of history education in contemporary world where it has to assert itself in the field of tension of power economy and society and to engage in the dialogue with the growing field of public history Perspectives from Austria Germany Israel Poland South Africa Ukraine and Zimbabwe are included The highlight of the Varia section is the article on Plannungsmatrix where Alois Ecker presents his innovative tool for designing teaching modules that skillfully combine first and second order historical concepts in the course of dialogical interaction between educator and students

Handbook of Research on Social Inequality and Education Wisdom, Sherrie,Leavitt, Lynda,Bice, Cynthia,2019-06-28 In comparing one public school to another discussions frequently include talk concerning the socioeconomics of a school or district which then leads to talk about the advantages that one socioeconomic setting has over another Educators tend to agree that low academic achievement frequently associated with a low socioeconomic status is a characteristic difficult to resolve for a population of school children The Handbook of Research on Social Inequality and Education is a critical reference source that provides insights into social influences on school and educational settings Featuring an array of topics including online learning social mobility and teacher preparation this book is excellent for educational leaders educational researchers teachers academicians administrators instructional designers and teacher preparation programs

Violence and Memory in Zimbabwean Literature Tanaka Chidora,2025-12-01 This book investigates how Zimbabwean literary texts subvert state sponsored amnesia when it comes to the many forms of past and ongoing political violence in Zimbabwe Zimbabwean Literature provides an important space for confronting the past and reflecting on how violence continues into the present day This violent past was forgotten either through the promise of violence against those who sought to remember or by depicting the violence as a necessary tool of a never ending decolonisation process or by appealing to the logic of letting bygones be bygones For instance by claiming that the five years of the Gukurahundi genocide were a moment of madness Robert Mugabe set a climate of state sponsored amnesia which has persisted through subsequent acts of state violence and into the Mnangagwa era Drawing on key works by Shimmer Chinodya Alexander Kanengoni Yvonne Vera Novuyo Rosa Tshuma Brian Chikwava Chenjerai Hove Panashe Chigumadzi and NoViolet Bulawayo this book investigates how fictional works challenge this state sponsored amnesia in relation both to Gukurahundi and other past and ongoing forms of violence Bringing together iconic literary texts from 1980 to 2022 the book draws a common thread through the texts connected histories and highlights their role in de silencing the past Situated at the interface of memory studies and literary criticism this book will be of

interest to researchers across the fields of African literature politics development and history ADVANCED
