sequentiality of events and verbal mediation the authors propose the transgeneric application of narratology to the poetic genre with the aim of utilizing the sophisticated framework of narratological categories for a more precise and complex modeling of the poetic text On this basis the study provides a new impetus to the neglected field of poetic theory as well as to methodology The practical value of such an approach is then demonstrated by detailed model analyses of canonical English poems from all major periods between the 16th and the 20th centuries The comparative discussion of these analyses draws general conclusions about the specifics of narrative structures in lyric poetry in contrast to prose fiction A World of Poetry 3ed Hazel Simmons-McDonald,David William,2017-06-30

Staten,2015-04-17 This book presents an innovative format for poetry criticism that its authors call dialogical poetics This approach shows that readings of poems which in academic literary criticism often look like a product of settled knowledge are in reality a continual negotiation between readers But Derek Attridge and Henry Staten agree to rein in their own interpretive ingenuity and minimally interpret poems reading them with careful regard for what the poem can be shown to actually say in detail and as a whole from opening to closure Based on a series of emails the book explores a number of topics in the reading of poetry including historical and intellectual context modernist difficulty the role of criticism and translation This highly readable book will appeal to anyone who enjoys poetry offering an inspiring resource for students whilst also mounting a challenge to some of the approaches to poetry currently widespread in the academy **Poetry Analysis**

Kathryn Dawes,2004 No one can dispute that poetry is written to be enjoyed It is an intense form of expression in which words and images are very carefully chosen to appeal to the emotions Looking carefully at how and why a poet has written leads to a greater appreciation of the poem All of this is true but the main concern of a student is writing for accreditation No matter how uplifting or thought provoking a piece of poetry on an exam paper may be it is still an item for assessments
