Keeping the Republic Christine Barbour, Gerald C. Wright, 2016-11-19 This refreshed and dynamic Eighth Edition of *Keeping the Republic* revitalizes the twin themes of power and citizenship by adding to the imperative for students to navigate competing political narratives about who should get what and how they should get it The exploding possibilities of the digital age make this task all the more urgent and complex Christine Barbour and Gerald Wright the authors of this bestseller continue to meet students where they are in order to give them a sophisticated understanding of American politics and teach them the skills to think critically about it The entire book has been refocused to look not just at power and citizenship but at the role that control of information and its savvy consumption play in keeping the republic *Yearbook of International Organizations 2013-2014 (Volumes 1a-1b)* Union Of International Associations, Union of International Associations, 2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events

Routledge Handbook of the Digital Environmental Humanities Charles Travis, Deborah P. Dixon, Luke Bergmann, Robert Legg, Arlene Crampsie, 2022-09-12 The Routledge Handbook of the Digital Environmental Humanities explores the digital methods and tools scholars use to observe interpret and manage nature in several different academic fields Employing historical philosophical linguistic literary and cultural lenses this handbook explores how the digital environmental humanities DEH as an emerging field recognises its convergence with the environmental humanities As such it is empirically critically and ethically engaged in exploring digitally mediated visualised and parsed framings of past present and future environments landscapes and cultures Currently humanities geographical cartographical informatic and computing disciplines are finding a common space in the DEH and are bringing the use of digital applications coding and software into league with literary and cultural studies and the visual film and performing arts In doing so the DEH facilitates transdisciplinary encounters between fields as diverse as human cognition gaming bioinformatics and linguistics social media literature and history music painting philology philosophy and the earth and environmental sciences This handbook will be essential reading for those interested in the use of digital tools in the study of the environment from a wide range of disciplines and for those working in the environmental humanities more generally

Island Futures Mimi Sheller, 2020-10-16 In *Island Futures* Mimi Sheller delves into the ecological crises and reconstruction challenges affecting the entire Caribbean region during a time of climate catastrophe Drawing on fieldwork on postearthquake reconstruction in Haiti flooding on the Haitian Dominican border and recent hurricanes Sheller shows how ecological vulnerability and the quest for a just recovery in the Caribbean emerge from specific transnational political economic and cultural dynamics Because foreigners are largely ignorant of Haiti's political cultural and economic contexts especially the historical role of the United States their efforts to help often exacerbate inequities Caribbean survival under ever worsening environmental and political conditions Sheller contends demands radical alternatives to the pervasive neocolonialism racial capitalism and US
