Zimsec Statement Of Entry June 2015:

Zimbabwe Paul Murray, 2025-09-19 The new fifth edition of Bradt's Zimbabwe remains the only detailed standalone guide from a major publisher to cover one of the premier safari and cultural destinations in southern Africa. Best known for the Victoria Falls which leaves visitors awed by the world's largest curtain of falling water, Zimbabwe offers manifold other experiences for the intrepid traveller from evocative wildlife to fascinating arts, jaw-dropping landscapes to astonishing World Heritage sites. Soak up the laid-back atmosphere of the capital Harare with its bustling arts scene and trendy restaurants or head to the mighty Zambezi River for fast-flowing adventure. Visit national parks that offer a variety of wildlife encounters, enjoy canoe-based game viewing at Mana Pools where African painted dog is a highlight or remote camping beside rare nyala antelope in the wilderness of Gonarezhou. Capitalise on the exciting revival of Matusadona which boasts one of Africa's highest densities of leopard or combine watching white and black rhinos with admiring the world's greatest concentration of ancient hunter-gatherer rock art at Matobo Hills. History buffs will marvel at Zimbabwe's plethora of historical and cultural sites, most famously the World Heritage-listed stone-built ancient cities of Great Zimbabwe and Khami, the latter once controlling a lucrative international trading empire. Birdwatchers meanwhile will delight in a trove of avian encounters, notably in Bunga's lush forests, one of Zimbabwe's best-kept secrets. With increased business confidence in Zimbabwe, scores of new hotels and lodges have opened, the country's national parks have been rejuvenated, its two main airports upgraded and major roads improved. Accommodation options comprise everything from luxury safari camps to budget stays for travellers who arrive overland, plus suggested pit stops to break up journeys. Written by a former resident of Zimbabwe, thoroughly updated by two seasoned adventurers and with a foreword by explorer Sir Ranulph Fiennes, Bradt's Zimbabwe remains an ideal companion for everyone from wildlife enthusiasts to adventure seekers and hikers, whether travelling independently or on an organised tour. New for this edition are a 64-page full-colour wildlife guide plus expanded coverage of Zambezi National Park, Matobo Hills and the surroundings of Harare and Bulawayo. **Zimbabwe** International Monetary Fund. Finance Dept., 2016-12-19 This paper discusses Zimbabwe's Settlement of Overdue Financial Obligations to the Poverty Reduction and Growth Trust (PRGT). Lifting of Declaration of Noncooperation, Lifting of Restriction on IMF technical assistance and restoration of PRGT eligibility. In light of Zimbabwe's settlement of its overdue financial obligations to the PRGT, the IMF staff proposes that the Board remove the remaining remedial measures. Zimbabwe is eligible to return to the PRGT eligibility list. The IMF staff also proposes that the Board lift the declaration of noncooperation, remove the remaining restriction on the provision of IMF technical assistance, and reinstate Zimbabwe as a PRGT eligible country. **Professional Journal of the United States Army**, 2016-05 **Lion Hearted** Andrew Loveridge, 2018-04-10 Until the lion has its own storyteller, tales of the lion hunt will always glorify the hunter. Zimbabwean proverb. In 2015, an American hunter named Walter Palmer shot and killed a lion named Cecil. The lion was one of dozens slain each year in Zimbabwe, which legally licenses the hunting of big

cats But Cecil's death sparked unprecedented global outrage igniting thousands of media reports about the peculiar circumstances surrounding this hunt At the center of the controversy was Dr Andrew Loveridge the zoologist who had studied Cecil for eight years In *Lion Hearted* Loveridge pieces together for the first time the fascinating life and murky details of this beloved lion's slaying In the tradition of *Born Free* and *Gorillas in the Mist* *Lion Hearted* chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked often from birth to death Born and raised in Zimbabwe Loveridge learned to love predators at the knee of his father an eminent herpetologist who stored baby crocodiles in the family bathtub After earning his doctorate at Oxford he seized an invitation to study the lions of Zimbabwe's Hwange National Park There he meets Stumpy Tail who despite her name has the dignity of the Queen of the Animal Kingdom Dynamite a venerable coalition leader who muscled out by younger males sets off on an incredible thirty seven day 137 mile journey to find a new home and Kataza who escapes another lion's claws and whom Loveridge twice saves from death at the hands of humans And of course there is Cecil Dethroned in an epic battle he forms an alliance with a former rival He also becomes a favorite of photographers and tourists until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world Despite their ruthless reputation lions can form deep emotional bonds females live in prides a sisterhood of mothers daughters sisters and aunts that can exhibit military precision when hunting in formation males band together in coalitions to vie for control of territory and the female prides They also display a wide range of emotional behavior including mourning the loss of their mates partners and cubs Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years There may now be as few as 20 000 wild lions across the entire continent far fewer than the number of elephants While deploring the killing of lions for sport Loveridge does not believe that banning trophy hunting by itself will halt the decline of Africa's lion populations He sees greater threats in human population growth the loss of habitat to agriculture and the illegal trade in lion body parts for use in traditional medicines And he offers concrete proposals for averting the lion's extinction More than a gripping detective story *Lion Hearted* is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing Lions are one of the most beloved animals on the planet Loveridge observes They are the national symbol of no fewer than fifteen countries Surely we can think of a better way to save the wild animals we love besides killing them

International Law John Linarelli, Margot E Salomon, Muthucumaraswamy Sornarajah, 2018-03-23 Poverty inequality and dispossession accompany economic globalization Bringing together three international law scholars this book addresses how international law and its regimes of trade investment finance as well as human rights are implicated in the construction of misery and how international law is producing reproducing and embedding injustice and narrowing the alternatives that might really serve humanity Adopting a pluralist approach the authors confront the unconscionable dimensions of the global economic order the false premises upon which they are built and the role of international law in constituting and sustaining them Combining insights from radical critiques political philosophy history and critical development studies the book explores the pathologies at work in international economic law today International law must abide by the requirements of justice if it is to make a call for compliance with it but this work claims it drastically fails to do so In a legal order structured around neoliberal ideologies rather than principles of justice every state can and does grab what it can in the economic sphere on the basis of power and interest legally so and under colour of law This book examines how international law on trade and foreign investment and the law and norms on global finance has been shaped to benefit the rich and powerful at the expense of others It studies how a set of principles in the form of a New International Economic Order NIEO that could have laid the groundwork for a more inclusive international law without even disrupting its market orientation were nonetheless undermined As for international human rights law it is under the terms of global capitalism that human rights

operate Before we can understand how human rights can create more just societies we must first expose the ways in which they reflect capitalist society and how they assist in reproducing the underlying terms of immiseration that will continue to create the need for human rights protection This book challenges conventional justifications of economic globalization and eschews false choices It is not about whether one is for or against international trade foreign investment or global finance The issue is to resolve how if we are to engage in trade investment and finance we do so in a manner that is accountable to persons whose lives are affected by international law The deployment of human rights for their part must be considered against the ubiquity of neoliberal globalization under law and not merely as a discrete benevolent response to it SADC Gender Protocol 2015 Barometer Morna, Colleen Lowe,Dube, Sifiso,2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **Dispute Settlement Reports 2018: Volume 9, Pages 4797 to 5246** World Trade Organization,2020-03-12 The Dispute Settlement Reports are the WTO authorized and paginated reports in English They are an essential addition to the library of all practicing and academic trade lawyers and needed by students worldwide taking courses in international economic or trade law DSR 2018 Volume 9 reports on Australia Certain Measures
