**dear God**, Dawn Faith, 2016 The true story of how a young woman kept her faith through the darkest season of her life  
*The Good, the True, the Beautiful* Mark J. Boone, Rose M. Cothren, Kevin C. Neece, Jaclyn S. Parrish, 2021-02-19 Dr David K Naugle is widely regarded as a leading thinker in the area of Christian worldview formation As Distinguished University Professor Emeritus at Dallas Baptist University he has drawn accolades and admiration This collection in his honor demonstrates that intellectual pursuits are inherently spiritual that no area of life is separate from the lordship of Christ and that true Christian faith is in fact the deep fulfillment of the human experience On topics ranging from linguistics to gardening and everything in between these essays represent the depth and breadth of the idea that all goodness is God s goodness all truth is God s truth and all beauty is God s beauty      Renewal Worship Steven Félix-Jäger, 2022-09-06 Theologian Steven F lix J ger offers a theology of renewal worship including its biblical foundations how its global nature is expressed in particular localities and how charismatic worship shapes the community of faith With this guidance the whole church might better understand what it means to pray Come Holy Spirit      **Understanding Religion and Popular Culture** Elizabeth Rae Coody, Dan W. Clanton Jr., Terry Ray Clark, 2023-04-17 Understanding Religion and Popular Culture 2nd edition provides an accessible introduction to this exciting and rapidly evolving field Divided into two parts Issues in Religion and Genres in Popular Culture it encourages readers to think critically about the ways in which popular cultural practices and products especially those considered as forms of entertainment are laden with religious ideas themes and values This edition has been thoroughly revised and includes five new chapters updated case studies and contemporary references Among the areas covered are religion and film food violence music television cosplay and fandom Each chapter also includes a helpful summary glossary bibliography discussion questions and suggestions for further reading viewing Providing a set of practical and theoretical tools for learning and research this book is an essential read for all students of Religion and Popular Culture or Religion and Media more broadly      Ocean of Love, or Sea of Troubles? Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives      *Meaning-Making in the Contemporary Congregational Song Genre* Daniel Thornton, 2020-10-06 This book analyses the most sung contemporary congregational songs CCS as a global music genre Utilising a three part music semiology this research engages with producers musical texts and audiences

congregations to better understand contemporary worship for the modern church and individual Christians Christian Copyright Licensing International data plays a key role in identifying the most sung CCS while YouTube mediations of these songs and their associated data provide the primary texts for analysis Producers and the production milieu are explored through interviews with some of the highest profile worship leaders songwriters including Ben Fielding Darlene Zschech Matt Redman and Tim Hughes as well as other music industry veterans Finally National Church Life Survey data and a specialized survey provide insight into individual Christians engagement with CCS Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre and into its possible futures **Trust**
