**Cigarette Lighter** Jack Pendarvis, 2016-01-28 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things Smokers survivalists teenagers collectors The cigarette lighter is a charged complex yet often entirely disposable object that moves across these various groups of people acquiring and emitting different meanings while always supplying its primary function that of ignition While the lighter may seem at first a niche object only for old fashioned cigarette smokers in this book Jack Pendarvis explodes the lighter as something with deep history as something with quirky episodes in cultural contexts and as something that dances with wide ranging taboos and traditions Pendarvis shows how the lighter carries with the cheapest ends of consumer culture as much as it displays more profound dramas of human survival technological advances and aesthetics Object Lessons is published in partnership with an essay series in The Atlantic

**The Great American Swindle** June Naugle, 2007 The major lessons we are here to learn are written within the pages of Life's Lessons What lessons do you need to learn What are you struggling with Do you lose yourself in relationships We ponder life's journey our part in it and the big picture When at these crossroads of life whichever particular lesson or lessons being learned currently ask Self some of the questions in the ponderments section Have a talk make a list to aide Self in moving through the lesson be it metaphysical spiritual or magical moments which is driven within you to find May you learn life's lessons more wisely Relationship blame unconditional love blessings betrayal gifts and loss are some of the most difficult roads we travel Would you like a personal poem written about you Your kids spouse Whatever the occasion a personal poem is waiting for your lesson

**The Great American** Alex Abella, 2000-03 From Simon Schuster The Great American is Alex Abella's romantic novel about a young revolutionary Involved in a romance with Laura a young revolutionary Ohio Marine William Morgan stationed in pre Castro Havana becomes caught up in the turbulent struggle against Batista only to be faced with disillusionment loss and betrayal in the aftermath of Castro's triumph

*When Zippo Went to War* Philip Kaplan, 2021-03-30 Throughout the 1930s the Zippo Company in Pennsylvania prospered on the growing success of its stylish charismatic little cigarette lighter The lighter was made mostly of brass but with the Second World War that metal was declared a strategic material in the U S where huge amounts of it were needed for shell and cartridge casings Zippo replaced the brass with steel which can corrode and wartime Zippos were given a new baked on black crackle finish to protect them That non reflective characteristic helped save the lives of many American soldiers in combat zones The demand of the Armed Forces for the lighter led to the company to earmark its entire production for military The big wartime market for the Zippo resulted in a rise of imitations After the war through subsequent conflicts in Korea Vietnam and elsewhere

thousands of such phoneys appeared in boot sales and swap meets across the world Movie stars added sophistication and glamor when someone lit up a cigarette with a Zippo and the distinctive clink clonk sound the lighter made when opened and closed was unmatched Legend has it that the great star Bette Davis was once asked by an interviewer if she smoked after sex Her supposed response To tell you the truth I've never looked In later years and a dark medical reality the cigarette began losing its allure but in wartime the soldier sailor marine and airman was frequently nervous in the service and found solace and a brief time out of war in the relaxation of a quick smoke Zippo was ready in such moments Today many examples survive with a special history and caché When Zippo Went to War is illustrated with more than 140 unpublished photos those unique little lighters of old Like the remarkable Zippo itself the book works well and sheds some new light on its subject
