Comunicación, Branding y Eventos Corporativos Miguel Ángel San Juan, 2023-08-16 Comunicación Branding y Eventos Corporativos es una obra dirigida a aquellos que se sumergen por primera vez en el mundo de la comunicación empresarial y para aquellos que desean actualizar y reforzar los conceptos en la disciplina de la comunicación y marketing empresarial que evoluciona y se adapta a las necesidades de un tiempo de transformación global. Desde la organización de eventos hasta la relación con los medios de comunicación pasando por la gestión de las redes sociales de la web corporativa o las relaciones institucionales, el libro recorre todo el ecosistema de la comunicación corporativa para acabar haciendo hincapié en la responsabilidad que tienen los comunicadores con la sociedad cuando dan voz a las organizaciones para las que trabajan y la importancia de que conecten emocionalmente con sus públicos. El marketing social o la aplicación de la neurociencia a los mensajes que emitimos desde las organizaciones son también por ello parte importante de este libro.

Who is responsible for ensuring appropriate resources, time, people and money are allocated to Visual merchandising? Who will be responsible for documenting the Visual merchandising requirements in detail? What problems are you facing and how do you consider Visual merchandising will circumvent those obstacles? Do we all define Visual merchandising in the same way? What are the business goals Visual merchandising is aiming to achieve? Defining, designing, creating and implementing a process to solve a business challenge or meet a business objective is the most valuable role in EVERY company, organization and department. Unless you are talking about a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and stepping back and saying, "What are we really trying to accomplish here? And is there a different way to look at it?" For more than twenty years, The Art of Service's Self-Assessments empower people who can do just that, whether their title is marketer, entrepreneur, manager, salesperson, consultant, business process manager, executive assistant, IT Manager, CxO, etc. They are the people who rule the future. They are people who watch the process as it happens and ask the right questions to make the process work better. This book is for managers, advisors, consultants, specialists, professionals and anyone interested in Visual merchandising assessment. Featuring 608 new and updated case-based questions organized into seven core areas of process design, this Self-Assessment will help you identify areas in which Visual merchandising improvements can be made.
