Federal Taxation, 2000 **Nonprofits**

as Policy Solutions to the Burden of Government Herrington J. Bryce, 2017-01-23 This book addresses a specific subset of nonprofits that are chartered with a single mission decrease the burden of government Designing and engaging nonprofits to lessen the burden of government requires a specific description and acknowledgement of the burden to be lessened and these may include the provision of infrastructure the relief of debt or the provision of general public services that are not motivated by charity It also requires the assignment of specific operating powers to the nonprofit including the power of eminent domain This book explores these and other related topics including the avoidance of resource dependence on government when attempting to reduce its burden The book is addressed to the policy makers and rule makers who design policies that affect the ability of the nonprofit to effectively lessen the burden of government It is also addressed to public administrators in search of innovative ways of implementing these policies consistent with the laws and to the creative nonprofit managers who are charged with carrying out the mission often in collaboration with the government or other entities To the advanced student in all related fields the author offers not only material for discussion but enables discovery of what is possible by giving key examples of organizations meeting the terms and objective of lessening a significant burden of government

Private Split Dollar Strategies for Tax-Busting Solutions Ronald V. Pullman,2012-06-18 Ironically the U S Congress that initially imposed gift and estate taxation ALSO created alleviating rules allowing for Private Split Dollar strategies and other wealth preservation planning methods yet it seems as if the latter were implemented quietly and with a subtlety reserved for those with the diligence to look into the depths of the law to find them As a veteran advisor to some of the largest estates in the world I took it upon myself years ago to study the rules and look for opportunities which I believe were given to anyone with the will to seek and find As a veteran financial service professional I can tell you that such opportunities are meant to be used and this is because they promote wealth and the preservation of hard earned legacies as they should If you have any doubts as to your right to take advantage of Private Split Dollar strategies the IDGT and the rest you can put those doubts to rest knowing that for many years I have helped the corporate moguls superstar entertainers and titans of the sporting world use these very same methods to preserve their wealth Similarly for many decades and beyond great houses of wealth owned and controlled by the likes of the Rockefellers and Carnegies have employed experts like me to implement trust strategies not unlike the ones in
