The air was filled with the scent of lavender just before the air was filled with the soft, heady scent of lavender. I was lying in a field of lilac purple flowers, swaying gently above me. I was safe. I was happy. 2. I spend my days in my world of make-believe: the Lavender Fields and the Loneliness Birds. I find my escape from the darkness there. I am not affected by the English ways like a lot of young girls. I could mention. 3. I had a street in England named after me. It was a typical Asian street in the early 1980s, a close-knit community where everyone knew each other. I was offered drinks and food whenever I went to my friends' houses. 4.
