Today's Special Episode Guide:

TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of *TV Guide* and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9, 2005. It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium. **Focus On: 100 Most Popular American Video Game Actresses** Wikipedia contributors, *TV Guide: TV on DVD 2006* TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD. **Film and Television Collections in Europe - the MAP-TV Guide** Daniela Kirchner, 2006-01-16 The MAP TV Guide to film and television collections in Europe provides detailed information on almost 2,000 sources and archives of film and television in over forty European countries. This authoritative volume includes the title listing of each collection both in English and the local language, research information, a subject and keyword index, an introduction to the collections in each country. This work will be of importance to all film researchers, production companies, film makers, archivists, and reference librarians. **Gloria Grahame, Bad Girl of Film Noir** Robert J. Lentz, 2014-01-10 A marvelous actress, Gloria Grahame (1923-1981) was also an iconic figure of film noir. Her talents are showcased in several classic motion pictures of the 1940s and 1950s, including *It's a Wonderful Life*, *Crossfire*, *In a Lonely Place*, *The Greatest Show on Earth*, *The Big Heat*, *Oklahoma*, and *The Bad and the Beautiful*, for which she earned an Academy Award. This comprehensive overview of Gloria Grahame's life and work examines each of her feature films in detail, as well as her made-for-television productions, her television series appearances, and her stage career. Also discussed are the varied ways in which Grahame's acting performances were affected by her tumultuous personal life, which included four marriages, the second to director Nicholas Ray, and the fourth to Ray's stepson, Anthony. **A TV Guide to Life** Jeff Alexander, 2008-07-01 Read Jeff Alexander's posts on the Penguin Blog. A couch potato's book of wisdom, 100% commercial free. Some say that entire generations of Americans are being raised by the television, like that's a bad thing. Not so, says author Jeff Alexander, long-time television writer, advocate of education by television, and recapper for the popular website *Television Without Pity*. Here he offers the ultimate in life lessons as seen on TV. Topics include: *Saved by the Bell*, *School on TV*, *Somebody Save Me*, *Super Powers*, and *Magic Spells*. Tell Me Why I Love You Like I Do, Relationships on TV, Making A Living, The Workplace, And more. With a smart, snarky style, Alexander guides readers through important lessons gleaned from years of TV reviewing, now in convenient book form, freeing up a whole new generation to learn other things, like how to cure cancer or solve world hunger, or anything more useful than watching TV. Author's note: Just joking, there is no such thing. **An Analytical Guide to Television's Battlestar Galactica** John Kenneth Muir, 2015-09-15 When the space drama *Battlestar Galactica* debuted on ABC in 1978, it was expected to be the most popular new program of the year. Instead, it was attacked as a *Star Wars* rip-off and canceled after a mere 17 stories. The author acknowledges the show was full of dramatic clichés and scientific

inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama

The Housewife Assassin's Terrorist TV Guide Josie Brown,2016-12-09 IN THE 14TH NOVEL OF THE HOUSEWIFE ASSASSIN SERIES Housewife assassin Donna Stone s mission go under deep cover in order to investigate the resurrection of known terrorists where were thought to be long dead and buried
