The Homework Myth Alfie Kohn,2007-04-03 Death and taxes come later what seems inevitable for children is the idea that after spending the day at school they must then complete more academic assignments at home

The predictable results stress and conflict frustration and exhaustion Parents respond by reassuring themselves that at least the benefits outweigh the costs But what if they don't In *The Homework Myth* nationally known educator and parenting expert Alfie Kohn systematically examines the usual defenses of homework that it promotes higher achievement reinforces learning and teaches study skills and responsibility None of these assumptions he shows actually passes the test of research logic or experience So why do we continue to administer this modern cod liver oil or even demand a larger dose Kohn's incisive analysis reveals how a mistrust of children a set of misconceptions about learning and a misguided focus on competitiveness have all left our kids with less free time and our families with more conflict Pointing to parents who have fought back and schools that have proved educational excellence is possible without homework Kohn shows how we can rethink what happens during and after school in order to rescue our families and our children's love of learning
