Annual Report of the Great Northern Railway Company Great Northern Railway Company (U.S.), 1942

Whitehall Colin Brown, 2009-05-05

WHITEHALL the name of a street now synonymous with the civil service has been the centre of British religious and political power for over 500 years Whitehall takes the reader behind closed doors to explore the fascinating history that lies behind the facade of the great departments of state and some of the greatest figures in British history including Henry VIII's playground the execution of Charles I Nelson's tortured love life and Winston Churchill's plans for a last stand against the forces of Hitler's Nazi invaders It explores the private house in Whitehall ignored by tourists today which became the most notorious address in London when Byron and Lady Caroline Lamb conducted their very public and tempestuous love affair there Inside Admiralty House screened from public view is the elaborately decorated boardroom equipped with its own wind clock where Nelson received his orders to attack the French There is also the dining room where Nelson fumed over dinner with his wife Fanny who burst into tears at his black mood Fragments of the tennis courts where Anne Boleyn watched Henry VIII playing tennis in his slops have survived behind the walls of the Cabinet Office at 70 Whitehall Beyond its glass doors a secret passageway leads to Number Ten Downing Street Cabinet papers reveal that Winston Churchill planned to use Whitehall as a fortress in 1940 when Britain faced imminent invasion by Hitler's Nazi forces The documents published for the first time show how Churchill prepared for street fighting in Whitehall's departments as he made his final stand And it also reveals for the first time the films that helped Churchill escape the rigors of war in his underground cinema at Whitehall as the Prime Minister battled to

 and an equal number under Wellington faced one another in a titanic and bloody struggle In the end as John Keegan notes
 contemporaries felt that Napoleon s defeat had reversed the tide of European history Even 190 years later the name
 Waterloo resounds Italian historian Alessandro Barbero s majestic new account stands apart from previous British and
 French histories by giving voice to all the nationalities that took part Invoking the memories of British French and Prussian
 soldiers Barbero meticulously re creates the conflict as it unfolded from General Reille s early afternoon assault on the
 chateau of Hougoumont to the desperate last charge of Napoleon s Imperial Guard as evening settled in From privates to
 generals Barbero recounts individual miracles and tragedies moments of courage and foolhardiness skillfully blending them
 into the larger narrative of the battle s extraordinary ebb and flow One is left with indelible images cavalry charges against
 soldiers formed in squares the hand to hand combat around farmhouses endless cannon balls and smoke And finally a
