

# THE TOP 10 SWEAR WORDS USED IN AMERICA

Profanity is one of society's great levelers. Everyone knows what the words mean, and heads always turn when they are said in public or on TV. But which swear words do people like to use the most?

After analyzing Twitter posts from all over the country, we found that 'fuck' reigns supreme as the country's favorite curse word. For every 1,000 tweets we looked at, 11.62 contained the F-word - marginally more than the 10 mentions per thousand for 'shit'.

Methodology: We gathered tweets from every state and the top 100 most populated cities in the U.S., filtering tweets that were written in English and allowing a maximum of 1 tweet per user per day. We then collected data on a selection of swear words, and calculated the volume per 1,000 tweets.
