Burton Barr Philip VanderMeer, 2014-11-06 Politics like poker requires timing and risk and Burton Barr of Arizona knew it The deal maker of Arizona politics would say You gotta know when to hold them For more than two decades Barr played his political cards with skill as he led Arizona through an era of enormous growth and success Considered perhaps the most influential person in Arizona's political development Burton Barr represented north central Phoenix in the Arizona House of Representatives for the twenty two years from 1964 to 1986 As the Republican House Majority Leader for twenty of those years he left his fingerprints on every major piece of legislation during those decades covering such issues as air pollution health care for indigents school aid the tax code prison reform child care groundwater management and freeway funding Burton Barr's political life unfolded during the very time his state and region shifted from being outliers to trendsetters His choices in policy making and his leadership style were both an outcome and a creator of his sociopolitical environment Arizona politics in the 1960s and 70s was a rich brew of key elements a time when the economy was being transformed the nature and distribution of populations shifted partisan politics were in flux and the very lifeblood of the West water was being contested under increasing pressures of usage and depletion How Barr successfully responded to those challenges is the story of Arizona's development during those years At the heart of it Barr's political life and personality are inextricably bound up with the life of the West

Play Among Books Miro Roman, Alice _ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice _ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science

Theatre of the Borderlands Iani del Rosario Moreno, 2015-05-27 Theatre of the Borderlands Conflict Violence and Healing is an enlightening and encompassing study that focuses on how dramatists from the Northern Mexico border territories write about theater The plays analyzed in this study are representative of the most important Northern Border playwrights whose plays themes present the US Mexico Borderlands in a socio historical and political context The most important themes observed include topics that engage in discussions of the indigenous Border crossings heroes and folk saints the city of Tijuana and violence in the Borderlands to name a few These themes have led to the birth of the Teatro del Norte movement a group of determined playwrights insistent on presenting dramaturgical themes that show the bond

between their particular geographies histories socio political and economic situations thereby giving birth to an original voice and new aesthetic of representation Dealing with the topics already mentioned and pairing them with more timely ones like immigration reform namely this study can serve as an invaluable resource to many interdisciplinary academic settings and can grant an eye opening insight to Border relations through several critical readings Borderland William Thomas Stead,1897 Striking stories Striking stories,1895 Bible illustrations: consisting of apophthegms [&c.], grouped under Scripture passages, by J. Shalom Yesterday, Today, and Forever Mark DeVine,2019-02-21 When we hear the word shalom we think first of the common Jewish greeting Then perhaps we consider the promise Jesus the Prince of Peace gave to his followers to grant them a peace the world cannot provide In the Bible the word shalom means much more than the absence of hostility it means harmony and prosperity Shalom refers to life as it was meant to be as it should be where sin is gone and love reigns In this book theologian Mark DeVine employs the well known but little studied Hebrew word to illuminate the three dimensions of relationship God the Creator designed human beings to enjoy 1 the relationship between God and his people 2 the relationship between God s people as his children and 3 the relationship between God and his people in the place the home God made for them and made them for DeVine gives special attention to the third dimension the home God provides to his people Shalom Yesterday Today and Forever offers a more fully evangelical and orthodox comprehension of redemption while avoiding the pitfalls that often jeopardize creation friendly theologies **The Christian World Pulpit** ,1914
