Foster, 2024-02-14 Reprint of the original first published in 1878 The Mojing Zhongyuan Sun, 2024-09-02 This book is the first and only English language translation of Sun Zhongyuan's research on Mohist logic. Sun investigates the historical contributions made to the research of logic in China, its modern value, its significance to the world, and how the form of logic developed in China is united with those from the rest of the world, focusing on Mohist logic in particular, as its core concern. Sun's work represents a high level of academic merit in the field of logic in China, embodying traditional Chinese culture, reflecting the frontiers of Chinese academia, effectively advocating for Chinese academia to engage with the rest of the world, deepening the academic conversation between China and the rest of the world, furthering the world's understanding of Chinese thought, and strengthening its influence and discursive power. The White Horse Irene

Jenkins, 2011-07-22 Combining literary fiction and memoir, *The White Horse* provides a sensitive, humorous, and endearing account of a family's struggle to survive living with an alcoholic. Through the lens of a wife and mother, the story evokes the shifting choices confronting families and the social issues they face. It is more than a novel; it is also a social history. The story transcends three continents and forty years. The highs and lows, the laughs and smiles, all are here to share. Above all else, it runs the depth of love that permeates the apparent normalcy of family life on the surface and the trauma of living in a dysfunctional situation. It is challenging and thought-provoking, although this is subtly assumed through the typical daily activities of the family. Using the metaphor of riding a carousel, the story unfolds to reveal the different approaches the family takes to cope with the increasing trials posed by living with an alcoholic husband and father, John. Each ride portrays the emotions and feelings that are encountered during this journey, providing an insight into how the family survives and emerges stronger for the challenge. On the last visit to the carousel, the final white horse looms: who will be riding it, and where is it heading? B. Joan from Al Anon says, *The White Horse* is an inspirational book focusing on one of the leading addictions today, alcoholism. The plot is fresh and different. Frank from AA says, *It's a fantastic book. It's funny in places, emotional, thoughtful. I am now rethinking my own life.* Buy This Book *He Rode a White Horse* Douglas Beatty, 2013-04-17

This is the life of a young Army Scout who lost his wife and his faith in mankind. And how the trust of an Army General and his faith in God got this young Scout through his hardship and able to find love again. How a town lost its life savings and the payroll belonging to the Army who had entrusted it in their care. The way a small village lost everything they had worked so hard for, not just material things but lives too. The greed of one man who wanted more than the next guy, and he did not care who got hurt while getting what he wanted. The one true companion this young Scout had was the love for his horse and the

love the horse had for him God has a strange way of working within our life Through a horse and the trust of a true friend God was able to save this young man No matter your crisis by keeping your faith in God and trusting in him God will find away to get you through it Who knows there could be a horse in your life Amen **The White Horse** Elizabeth Coatsworth,2005 Captured by pirates while sailing from Maine to Genoa in the years following the American Revolution Sally and Andrew plan their escape after being sold to the sultan of Morocco *Current Literature* ,1911 *Cultural, Linguistic and Ethnological Interrelations In and Around Armenia* Uwe Bläsing,Jasmine Dum-Tragut,2020-05-15 The geographical region of the Southern Caucasus the lowlands between the Black and the Caspian Seas and the Armenian and Anatolian highlands is located on the peripheries of Europe from Asia This region shares a common pre history with pre Christian and pre Muslim cultures and beliefs The later periods however starting from the pre Christian Iranian dominations followed by the Arab conquest and the later campaigns of Seljuks Mongols and Ottomans had a heavy impact on the development of the region s various ethnic languages and cultures Nevertheless many similarities can be found in the languages cultures and religious traditions of the people living in this region Armenia has often been a bridge between various cultures Even though Armenians have succeeded in preserving their original language and culture through the centuries many of their traditions and myths their linguistic peculiarities particularly in Armenian dialects may be explained by an often long lasting influence of other cultures be it occidental Hellenistic Roman later Byzantine and Medieval European or oriental Iranian later Arab Turkic Mongolian etc or even Caucasian The Armenians have also left many traces in the languages and cultures of the Occident Orient and the Caucasus This volume gives an impressive approach to an interdisciplinary view of the linguistic and cultural properties which Armenians share with their neighbours *A Dictionary of the English and German, and the German and English Language: German and English* Joseph Leonhard Hilpert,1846 *Riding the White Horse Home* Teresa Jordan,1994-05-31 The daughter and granddaughter of Wyoming ranchers Teresa Jordan gives us a lyrical and superbly evocative book that is at once a family chronicle and a eulogy for the land her people helped shape and in time were forced to leave **Revelation of Jesus Christ** Grace Chung,2024-11-19 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the
