and mesmerizing narrative power Judgment at Tokyo has the makings of an instant classic Evan Osnos National Book Award winning author of Age of Ambition Chasing Fortune Truth and Faith in the New China In the weeks after Japan finally surrendered to the Allies to end World War II the world turned to the question of how to move on from years of carnage and destruction For Harry Truman Douglas MacArthur Chiang Kai shek and their fellow victors the question of justice seemed clear Japan s militaristic leaders needed to be tried and punished for the surprise attack at Pearl Harbor shocking atrocities against civilians in China the Philippines and elsewhere and rampant abuses of prisoners of war in notorious incidents such as the Bataan death march For the Allied powers the trial was an opportunity to render judgment on their vanquished foes but also to create a legal framework to prosecute war crimes and prohibit the use of aggressive war building a more peaceful world under international law and American hegemony For the Japanese leaders on trial it was their chance to argue that their war had been waged to liberate Asia from Western imperialism and that the court was victors justice For more than two years lawyers for both sides presented their cases before a panel of clashing judges from China India the Philippines and Australia as well as the United States and European powers The testimony ran from horrific accounts of brutality and the secret plans to attack Pearl Harbor to the Japanese military s threats to subvert the government if it sued for peace Yet rather than clarity and unanimity the trial brought complexity dissents and divisions that provoke international discord between China Japan and Korea to this day Those courtroom tensions and contradictions could also be seen playing out across Asia as the trial unfolded in the crucial early years of the Cold War from China s descent into civil war to Japan s successful postwar democratic elections to India s independence and partition From the author of the acclaimed The Blood Telegram which was a Pulitzer Prize finalist this magnificent history is the product of a decade of research and writing Judgment at Tokyo is a riveting story of wartime action dramatic courtroom battles and the epic formative years that set the stage for the Asian postwar era

Death on the Canal Anja de Jager,2017-11-02 a novel brilliantly evoking the isolation of a woman with an unbearable weight on her conscience Sunday Times Where do your loyalties lie With the truth or with your colleagues Drinking outside a canal side bar on a perfect summer s evening Lotte is witness to the fatal stabbing of Piotr Mazur a Polish security guard working in one of the city s department stores As Lotte starts to investigate Mazur s death all the facts point to him being a small time drug dealer and his murder is treated as a minor complication in another team s larger narcotics

case Yet Lotte remains unconvinced having viewed the man's ordered unchaotic flat and spoken to his colleagues she can't help but believe he was being set up And in the bar moments before Piotr was killed Lotte saw a woman pass him a photo of a child She becomes convinced that his death wasn't a revenge killing over drugs at all and has to now think carefully about what to do for the best especially as key evidence in Mazur's murder comes from someone she knows she cannot trust Praise for Anja de Jager An absorbing read with the smack of reality Daily Mail The book succeeds as a portrait of both a city and in its heroine a delightfully dysfunctional personality Sunday Express Impressive De Jager is as good on dodgy family relations as she is on police procedure The Times Detective Lotte Meerman is damaged by her past and tortured by the dreadful mistake she's made at work Amsterdam is the other star here beautiful and deadly Cath Staincliffe *The Pilgrim's Progress, Etc. With Illustrations* John Bunyan, 1832 Life version 2 Suhas Inamdar, Do millions of blurry notions about the ever mystic subject of astrology intrigue you Do you want to steer clear of all ambiguity that surrounds the mysterious phenomenon of life and death Welcome to Life Version 2 a book that will surely unravel some of life's biggest and the most intriguing questions God gives us endless opportunities to script our Life Version 2 Go grab one Abhijeet 60 is a successful entrepreneur who leads a contented life Cricket music and astrology are his deep obsessions His life is running smooth until an appalling prediction is made that he is going to die within the next six months This turns his life upside down He prepares to die and exhibits unprecedented boldness by trying to complete all his pending tasks before he departs from this world In a strange twist of fate he does not die as predicted When he goes in search of the person responsible for making the spectacularly wrong prediction he unearths a sinister plot Who is behind this intriguing conspiracy How does he look at life after his close brush with death Can he ever live the same life again Step aboard Life Version 2 and get set to experience the unknown the very essence of life **I Am** Jeffrey McNeel, 2010-08 Concerning the blending of Judaism the original covenant the law and the prophets the Old Testament with that of the Truth could the Word go further than just annulling the Law of Moses Our Father addresses this twice the Son of Man addresses this twice and Paul interpreted this many times First when talking to David in Psalms the Father says His Son will be a priest of a different order the eternal high priest not of the order of Aaron This is confirmed by Paul who claims that the entire order of Aaron's priesthood the entire original covenant was replaced with a better way Paul states that every Jew of the day knew that a change in the priesthood would of necessity bring a change in the law The law was not confined to parts of two books in the Torah It is documented from the Word that Jesus and Paul consistently used the word law to refer to all the books of the prophets the law was according to them never confined to the Law of Moses This is a strong point and the focus of I Am The Word on the Blending of Judaism and the Truth Herein is communicated that Jesus and Paul used the term law to reference Isaiah Psalms and other books of the prophets This is profound and there can be no mistaking that to Jesus and Paul the law included all of the Torah and all of the books of the prophets What does this mean for you This gives the commandment we are no longer under the law an entirely new
