Tommy S Choice:

Choices for Living Thomas S. Langner, 2005-12-11 Although many books are written about bereavement very few are written about the fear of one's own death and most of these focus chiefly on terminal illness In contrast this book looks at the ways in which the fear of death operates on a back burner throughout our lives and how it influences the choices we make and the paths that we follow in life The author presents a moral hierarchy of behavior used in coping with the fear of death and dying

Tommy's Wired and Mommy's Tired Rita Bergen, 2020-04-07 Because super active children push the boundaries of society's expected behaviors moms of the hyperactive often feel alone misunderstood and judged while also being exhausted from handling that high energy child Tommy's Wired and Mommy's Tired offers hope to these mothers through inspirational narratives based on the challenges Rita Bergen faced when parenting her hyperactive son From her son's prenatal circus to out of control toddler years and an electrical childhood Rita's anecdotes care for the needs of the mother by addressing a variety of topics specific to moms such as coping with emotions managing your world and understanding the realities of hyperactivity Tommy's Wired and Mommy's Tired offers empathy and inspiration not child raising formulas or behavior management tips Many great books give advice for managing hyperactive behavior yet these don't immediately improve a mother's fatigue because consistently implementing all the advice is a non stop exhausting job Therefore Tommy's Wired and Mommy's Tired seeks to inspire courage rather than teach child raising strategies offering perspective and hope to moms who face the difficult work of raising a super active child The content also includes a letter from Rita's adult hyperactive son in which he thanks moms of wired children for their tireless effort assuring them that all their blood sweat and tears are worth it in the end A bonus section of Frequently Asked Questions provides helpful tips to family and friends who desire to help a struggling mother
