Too Much Ginger In Recipe:

Ultimate Biscotti Trish Lobenfeld, 2019-01-30 While researching biscotti recipes I was surprised by the limited and repetitive flavor profiles and challenged myself to create a broader assortment of recipes The result is this comprehensive book with 75 recipes for sweet savory and gluten free biscotti including Ancho Chili Chocolate Carrot Cake S'mores Red Velvet Nutella and Peppermint as well as savory flavors like Falafel Pizza and Porcini Rosemary The three most important things I learned that ultimately led to my success in making great biscotti are proper cooking time enough cooling time and slicing on the diagonal using a very sharp knife Excellent ingredients fine chocolate pure extracts fresh eggs kosher salt good quality dried fruit whole raw nuts and good quality flours and grains contribute excellent flavor and texture These biscotti are great for snacks desserts and pack well for lunches and travel The savory biscotti are a great addition to any bread basket or charcuterie platter

The Asian Family in Literature and Film Bernard Wilson, Sharifah Aishah Osman, 2024-06-19 This book offers a key analysis of the changing perceptions of family in East Asian societies and the dynamic metamorphosis of traditional family units through the twentieth century and into the new millennium The book focuses on investigations of the Asian family as it is represented in literature film and other visual media emerging from within China Japan South Korea and Taiwan and on contestations of the power hegemonies and moral codes that underpin such representations while also assessing Western and global influences on the Asian family Individually and collectively these essays examine traditions and transformations in the evolving conception of family itself and bring together a range of scholars from within and beyond the region to reflect upon the social and cultural mores represented in these texts the issues that concern Asian families and projections for future families in their own societies and in a globalized world Through the written text and the lens of the camera what directions has the understanding of family in an Asian context taken in the twenty first century How have the multiple platforms of media represented encouraged or resisted transitions during this time Amid broader and mutating referential frameworks and cross cultural influences is the traditional concept of the nuclear family still relevant in the twenty first century This book lends further prominence to the diverse literary and cinematic production within East Asia and the eclectic range of media used to represent these ideas It will be essential reading for scholars of literature film studies and Asian studies and for those with an interest in the cultural and sociological implications of the changing definitions and parameters of the family unit
