Utos ng hari at iba pang kuwento Jun Cruz Reyes,2002 **FILIPINIANA BIBLIOGRAPHY** Jean-Paul G. POTET,2019-05-25 This book is the list of printed documents I have collected about the Philippines in general and the Tagalog language in particular The entries are followed by an index of the themes involved **Official Gazette** Philippines,1981 **Balik-Tanaw: The Road Taken** Soledad S. Reyes,2023-03-23 Balik Tanaw The Road Taken is the memoir of the distinguished Filipino critic Soledad S Reyes This book is a record of Reyess journey of more than seven decades where personal narrative intertwines with people and events with social and political movements with which the country sought to negotiate the treacherous shoals in the postwar years The account carries a fair amount of biographical data as lodged in the critics memory in the absence of diaries from her childhood into her college years But as the context becomes wider and more complex the narrative takes on a more analytical frame as she tries to make sense of disparate experiences whirling about her in the tumult of the 1970s and beyond and in the startling changes in the political landscape local and global that now grip the Filipino nation This account according to the author is a story of an individual constructing a narrative that seeks to impose order upon chaos by retrieving aspects of the past and weaving a series of recalcitrant experiences into a coherent whole Published in association with De La Salle University Publishing House **Modern Short Fiction of Southeast Asia** Teri Shaffer Yamada,2009 A CHOICE Outstanding Academic Title Modern Short Fiction of Southeast Asia surveys the historical and cultural significance of modern short fiction in nine Southeast Asian nations Laos Cambodia Myanmar Burma Singapore Malaysia Indonesia the Philippines Thailand and Vietnam Written in an accessible style without jargon this book will be of great interest to students of modern literature and general readers interested in Southeast Asia as well as scholars of East and South Asia who wish to compare the literary developments of those areas to Southeast Asia The interdisciplinary approach suggests that literature has made a significant contribution to the social and political history of the region and the authors address topics of significance to scholars of numerous disciplines including anthropology cultural studies history literature political science and sociology *Sarilaysay* Rosario Torres- Yu,2004 Accounts of male Filipino writers on gender politics and arts in the Philippines *Bright Sign, Bright Age* J.
