

Quality and Performance Befitting a Professional Police Force

To professional police riders and the men and women who support them, one quality is more highly valued than any other in a motorcycle: Reliability. That's why Suzuki has a reputation as the premier police bike. Now, to our lineup of quality machines for modern police forces, Suzuki introduces the GSX750P. Developed alongside Suzuki's popular mass-production GSX750, the GSX750P offers a police force proven performance, easy maintenance, and a widely available range of high-quality parts and accessories. Designed to accommodate the needs of both the elite troops who accompany VIPs as well as the riders who patrol the streets daily, the GSX750P features technologies that have been proven over many years: a high-torque 750cc engine, a rigid chassis and a powerful braking system. And here's one more advantage a professional police force will value: the GSX750P's bold styling immediately conveys an impression of pride and authority.
