Vision & Vesture Charles Gardner,1919 *Vision and Vesture* Charles Gardner,1966 *Vision and Vesture* Charles Gardner,1929 **Vision Vesture** Charles Gardner,2018-01-13 Excerpt from *Vision Vesture A Study of William Blake in Modern Thought* In dealing with modern thought I have preferred not to treat it in the lump By tracing thoughts back to the thinkers the heavy lump dissolves into the fine essence of men s minds and gathers colour and spirit from the individual thinker And there fore I have dealt with persons Goethe Schopen hauer Nietzsche Shaw Yeats The one difficulty has been that of selection so many names have started to mind Here too I have followed my instinct alighting on just those men and women who appeared to me to supply the necessary link in the chain of modern thought Some may think that place might have been given to Browning Tennyson Morris Maeterlinck I must say that I do not think that they would have served my purpose The only possible regret I might have is that I did not give a chapter to Samuel Butler but even of this I will not repent for I judged deliber ately at the time that Butler lived again in Shaw and in treating Shaw with some fulness Butler s value was not really overlooked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Vision and Vesture* Ch Gardner,1916

The Visionary Art of William Blake Naomi Billingsley, 2018-05-10 William Blake 1757-1827 is considered one of the most singular and brilliant talents that England has ever produced Celebrated now for the originality of his thinking painting and verse he shocked contemporaries by rejecting all forms of organized worship even while adhering to the truth of the Bible But how did he come to equate Christianity with art How did he use images and paint to express those radical and prophetic ideas about religion which he came in time to believe And why did he conceive of Christ himself as an artist in fact as the artist par excellence These are among the questions which Naomi Billingsley explores in her subtle and wide ranging new study in art religion and the history of ideas Suggesting that Blake expresses through his representations of Jesus a truly distinctive theology of art and offering detailed readings of Blake's paintings and biblical commentary she argues that her subject thought of Christ as an artist archetype Blake's is thus a distinctively Romantic vision of art in which both the artist and his saviour fundamentally change the way that the world is perceived
