At the top center is a black rectangular control module with a circular sensor on its top surface and a multi-pin connector on the side. To its left are three black remote controls, each with two buttons and a keychain. Below the module is a black push-button. To the right of the module is a large black cylindrical siren with a black wire. In the foreground, there are three coiled cables: a blue one on the left, a black one in the center, and a red one on the right.
