In His Own Image and Likeness Randall Garr,2003-06-01 This book is about nothing less than Genesis 1 or human creation Humanity the author convincingly argues is created within the Priestly tradition as a replacement of God s divine community human creation marks the decisive moment that P s God separates himself from other gods and institutes monotheism After discussing the

references of God's self-inclusive yet plural first person speech and examining the ramifications of this speech pattern in other biblical texts.
