Krischke,Alexandra K. Becnel,2024-01-10 This is the only book in existence that discusses the process of documenting an investigation from start to finish It presents just about everything an investigator needs to know regarding how to document an investigation This new edition builds upon the principles outlined in the first edition but the new edition has a criminal defense bent with numerous case examples provided that include insurance claims and civil litigation criminal defense murders sexual assaults and other serious felonies particularly wrongful convictions These require meticulous documentation Proper documentation matters most in criminal cases This book therefore will focus also on the rights of those accused of crimes The first chapter discusses the five primary principles of investigative documentation taking comprehensive notes documenting every effort to contact witnesses and all surveillance preparing reports whenever there is any possibility of needing to testify taking verbatim statements from hostile witnesses and declarations from friendly witnesses and providing all case documents to the client or maintaining a document retention plan The second chapter details the numerous misconceptions pertaining to investigative documentation This chapter sets the stage for the remaining chapters on note taking running resumes reports statements and documentation retention Each chapter is broken down into four or five sections that approximate the methods used to complete that particular documentary endeavor The book also contains an exhaustive appendix that many investigators will find to be very useful This is an advanced book for people who already have the necessary skills to do an investigation By following the principles outlined in this book investigators will see the quality of their investigations improve markedly and ultimately be more successful Although the authors have chosen to refocus the second edition on criminal defense investigations where proper documentation is most important the principles herein remain the benchmark of how to document any investigation in the private sector **Focus On: 100 Most Popular Compact Cars** Wikipedia contributors, *Lemon-Aid New and Used Cars and Trucks 2007-2017* Phil Edmonston,2017-03-11 Dr Phil Canada's best known automotive expert invites another driver to come aboard After forty six years and almost two million copies sold Phil Edmonston is joined by a co pilot for the Lemon Aid Guide George Iny along with the editors of the Automobile Protection Association The 2017 Lemon Aid has everything an encyclopedic lineup of the best and worst cars trucks and SUVs sold since 2007 secret warranties and tips on the art of complaining to help you get your money back and new car buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add ons Lemon Aid is an essential guide for careful buyers and long time gear heads who don't know as much as they think [Oil's Deep State](#) Taft, Kevin,2017-10-06 Why have democratic governments failed to take serious steps to reduce carbon emissions despite dire warnings and compelling evidence of the profound and growing threat posed by global warming Most of the writing on global warming is by scientists academics environmentalists and journalists Kevin Taft a former leader of the opposition in Alberta brings a fresh perspective through the insight he gained as

an elected politician who had an insider's eyewitness view of the role of the oil industry His answer in brief The oil industry has captured key democratic institutions in both Alberta and Ottawa Taft begins his book with a perceptive observer's account of a recent court case in Ottawa which laid bare the tactics and techniques of the industry its insiders and lobbyists He casts dramatic new light on exactly how corporate lobbyists politicians bureaucrats universities and other organizations are working together to pursue the oil industry's agenda He offers a brisk tour of the recent work of scholars who have developed the concepts of the deep state and institutional capture to understand how one rich industry can override the public interest Taft views global warming and weakened democracy as two symptoms of the same problem the loss of democratic institutions to corporate influence and control He sees citizen engagement and direct action by the public as the only response that can unravel big oil's deep state
