With this volume we looked at this must have appliance in new ways to truly maximize its potential. You'll learn how to make a host of dishes like Garlicky Shrimp Chicken Soft Tacos and Flourless Chocolate Cake recipes you'd never expect to see coming out of a slow cooker. The moist heat of the slow cooker is tailor made to serve up flavorful stews, chilis and braises and don't worry we've included a good number of these but with our smart strategies and clever ingredient selections we were also able to pull off spice rubbed roast chicken, ziti with meaty ragu, rare roast beef, poached salmon and even cheesecake.

Slow Cooker Revolution America's Test Kitchen, 2011-02-15 The 200 recipes in this family friendly collection deliver a revolution in slow cooking like only America's Test Kitchen can. Who doesn't like the idea of throwing ingredients into a slow cooker and coming back hours later to a finished meal? Too bad most slow cooker recipes deliver mediocre results you'd rather forget than fix again. A team of ten test cooks at America's Test Kitchen spent a year developing recipes and what they discovered will change the way you use your slow cooker. Did you know that onions, garlic and spices should be bloomed in the microwave for five minutes before they go into the slow cooker? This simple step intensifies their flavor and requires no extra work. Did you know that a little soy sauce mixed with tomato paste adds meaty flavors to almost any stew and can often replace the tedious step of browning the meat? And do you know the secret to a moist slow cooker chicken? Start the bird upside down to protect the delicate white meat from drying out.
