Factory Data Reset

If you have set a password on your tablet and forgotten the password, follow the instructions below to reset the tablet to factory settings. Please note: this will erase all data on the tablet including the password settings, any saved apps, photos, videos and any other saved information. Once finished, the tablet will be restored to factory default settings including all factory preinstalled apps. Any apps you have purchased and/or downloaded to the tablet will need to be reinstalled manually when finished.

IMPORTANT: make sure you have charged the tablet for at least one hour before performing this reset.

NOTE: Some screenshots below may differ slightly depending on which model tablet you are using. The choice selection will be the same.

1. Make sure the tablet is powered **OFF**. You can double check this by quick-pressing the power button to see if the tablet is still powered on.
2. Press and **HOLD** the **[VOL+]** button and then the **[POWER]** button and hold them together for approximately 8 full seconds. Release both buttons when the Smartab logo shows on the screen. Wait for the "**Android Dead Bot Screen**" to show:

3. When this screen shows, press and **HOLD** the **[POWER]** button and then the **[VOL+]** button together quickly and release both buttons. At this point the "**Android system recovery**" screen will show on the tablet:
