Self-Publishing Your Book Roger Ellerton PhD, CMC,2014-01-16 I am the author of eight books three paperbacks and eight ebooks Overall I have been successful in getting my books published and sold However I have made mistakes and learned some valuable lessons along the way This book is far from a complete resource on how to write publish and market your books The purpose of my book is to share with you my insights and experiences based on my mistakes and lessons learned In doing so my hope is to save you time and money and make your publishing experience less onerous more enjoyable and hopefully profitable For example do you know that in many countries there is a national organization that collects fees from organizations e g schools government for the right to copy published works These fees are then passed on to the registered authors publishers Note The operating processes and eligibility requirements of these organizations vary from country to country

The Naked Author - A Guide to Self-publishing Alison Baverstock,2011-11-07 New digital technology falling production costs and a new type of company offering publishing services have contributed to self publishing becoming a viable option for writers rather than a poor second to finding a commercial publishing deal Written by a publishing consultant and author with plenty of advice from other industry professionals this book offers an objective analysis of the processes and companies involved in self publishing It helps you to analyse your objectives define and meet the needs of your audience and looks at the right kind of content for self publishing It also provides insight into the editorial processes you will need to put your content through how to commission services from freelancers and companies and how to get a product worthy of your name It helps you to understand format and design options and key issues concerning distribution sales and marketing Self publishing is a costly venture and this guide will help you to scrutinise your investment choices and produce a more professional looking product Contains a Foreword by Mark Coker Founder of Smashwords

How to Make a Fortune Working from Home Deborah Bowers,2013 If you are determined to work from home and are beginning your journey to know how it is done this book is for you It will help you get started especially if your budget is no longer than a shoe string If you are overflowing with ideas about a work from home business or trying to establish a work life balance or just curious about an a business idea which you have been dreaming of wishing to try it out at minimal cost to you this book is a great place to start It tells you how to selfpublish to get into supermarkets or run your own online shop and much much more
