anything offering many advantages over traditional smoking methods More convenient Precise temperature control means you don't need to spend hours tweaking temperature adding wood and tending to the smoker Less cost Conventional smokers require a significant amount of wood to produce consistent smoke and heat over long periods of time but electric smokers use a very small amount of wood which is used for flavoring and not as the energy source Smaller footprint Electric smokers take up significantly less space and produce much less ash than traditional smokers From happy hour to entrée to dessert use any brand of electric smoker to wow your family and neighbors without building a smokehouse in your backyard Plus no unnecessary carbs and processed ingredients needed Smoke your own skinny jalapeño margaritas chipotle sriracha wings cilantro lime beef satay or dark chocolate brownies with bourbon whipped cream Sure you can loiter and watch your ribs slowly tenderize if you want but you can also go do your yard work while your electric appliance turns out the most perfectly smoked and traditionally flavored barbecue you've ever created *The Appetizer Is the Meal* David G. Nunez, 2011 The Appetizer is fast becoming the alternative to costly and uninspiring entrées Many of us love to seek out those perfect tasty bite sized morsels as the means of satisfying our primal urges to eat with our hands This is the cut to the chase manual for gastronomic satisfaction The Appetizer is the Meal delivers that and more Whether or not you're attending a football or evening party or family barbeque you will get 27 easy tried and true appetizers that you'll want to make over and over This book comes loaded with variety of delights and enough real substance to satisfy your caveman and cave lady needs Forget the scanty thumbnail sized canapés which offer little more than a single bite and continued longing The Appetizer is the Meal gives you full permission to double that order in less time that it would take to drive to your favorite pricey restaurant This is a book designed to be fun and at the same time discards the common precept that enjoyable dining must necessarily include the entrée and its accompanied accoutrements Each recipe is replete with beautiful photographs depicting the final product The misperception of appetizer preparation and the supposed difficulty will be dispelled as you take the journey through entrée independence We learn to swim to be refreshed and cool so why jump into the deep in the end when dipping your feet wading and flopping around is just as refreshing and in any given instance all you may need or imagine being told that a gentle passionate kiss is not enough No longer The Appetizer is the Meal is the metaphoric kiss and refreshing pool wrapped into one *The Complete Idiot's Guide to Smoking Foods* Ted Reader, 2012-04-03 Over 100 recipes for smoking all types of food as well as for rubs and sauces and more Features expert tips for smoking success including common smoking mistakes
