

Great Smoky Mountains National Park

National Park Service
U.S. Department of the Interior

Drive safely in wintry conditions

Temperatures drop swiftly at higher elevations, and precipitation is much more frequent and heavy. Steep grades and curves can become especially dangerous in winter. Be prepared:

- Reduce your speed
- Leave extra space between you and the vehicle in front of you
- Avoid sudden braking—instead, use lower gears or brake gently to slow down
- Check current conditions at twitter.com/SmokiesRoadsNPS before departing

The Mount Cammerer fire tower located in the Cosby area of the park is one of many iconic Smokies structures constructed in the 1930s by Civilian Conservation Corps workers. Image by Roger Trentham.

Park It Forward in 2023

Parking tags help pave the way for improved visitor services and park preservation

Beginning March 1, a valid parking tag will be required for all visitors parking for more than 15 minutes in Great Smoky Mountains National Park. Parking tags will not be required for motorists who simply pass through the area or park for less than 15 minutes.

Daily (\$5), weekly (\$35), and annual (\$40) parking tags will be available for purchase at automated fee machines and visitor centers as well as online at recreation.gov or smokiesinformation.org. Each tag is valid for use in a single vehicle and must include a license plate number matching the vehicle in which it is displayed. Tags must be displayed physically in vehicles; digital representations will not be accepted. Parking tags do not guarantee a parking spot in a specific location or at a specific time.

Revenue generated by parking tags will help to improve visitor services in

the park and preserve the Smokies for generations to come. Park visitation has increased by 57 percent over the last decade to a record 14.1 million visits in 2021. These critically needed funds will supplement federal funding, grant monies, and donation dollars, providing an opportunity to address the rising costs associated with maintaining what is consistently the most visited national park in the country.

All revenue generated through the sales of parking tags will stay in the Smokies to directly improve visitor experiences and help fund things like trail maintenance, custodial services, trash removal, historic cabin preservation, and staffing for increased ranger presence across the park.

For more information about parking tags, scan the code at the right with your camera app or visit go.nps.gov/GRSMfices.

PARKING TAGS AHEAD!

Beginning in March 2023, parking in the Smokies will require a valid parking tag (annual tag pictured).

For more
info, scan
code with
camera app.
