they're on a smoothie diet or using smoothies for weight loss they have some variety in their life. It's not fun to be on a smoothie detox plan and be drinking the same smoothies over and over again. You need variety. Variety is the spice of life. It was with these thoughts in mind that I created this smoothie recipe book. 50 Green Smoothie Recipes For Weight Loss Detox Or The 10 Day Smoothie Cleanse Plan allows you to have varieties of smoothies to choose from that will give you all the nutrients and vitamins you need in your diet and at the same time have something you look forward to drinking. Practical Smoothie Recipes. Also, this smoothie book focuses on the practical. I have not included ingredients that are either exotic or that you have to buy online. All the ingredients are vegetables and fruits that you can buy at your local grocery store. There's nothing worse than getting a smoothie book that the recipes call for bok choy or camu powder or spirulina or other ingredients that generally are not found in every supermarket or grocery store. Or that are not natural. Smoothies for Kids. Another great thing about smoothies is that you can make smoothies for kids. If your kids have a hard time eating their veggies or their fruits, smoothies are a great way to get them to eat their nutrients naturally without actually having to look at vegetables. Many a mom out there is getting their kids to eat their vegetables by giving them smoothies. No matter what you're using your smoothie diet for, whether it's for losing weight to improve the beauty of your skin or just better health, having smoothies in your life is better than not having any smoothies at all. Some of the benefits of smoothies are: Lose Weight in a healthy fashion, Detox the Body with natural ingredients, Increase Energy for the whole day, Fight Heart Disease by eating right, Healthy Skin and Hair with the right nutrients. Smoothies are the easiest way to eat less calories and at the same time get more nutrients into your body. So it makes sense if your goal is to lose weight to incorporate smoothies into your life. It's been proven that this is a guaranteed way to lose weight or to rid your body of toxins provided you follow a dedicated plan. So here's what you get in this book: Practical ingredient smoothies, Smoothies that are easy to make, Smoothies that will last you the whole day long, Nutritional information so you can plan out your diet, Fun interesting facts and trivia. In addition, I give you a free gift that you can use in conjunction with these recipes to really get the most out of the book. Get this recipe book now and start enjoying new smoothie recipes.
