The Valentine's Day Project Disaster Gary M Nelson,2016-02-14 The biggest problem with

success is that people always expect more from you thought Amanda She stared hard at the folded piece of paper sitting on the desk in front of her hoping it would just go away Why did I say yes She wondered I must have been crazy We do a couple projects and now they want me to do this She cautiously poked at it again with the end of her pencil like it was a bomb about to go off She flicked at the crumpled edge of the paper those terrible words hidden just out of sight but taunting her nonetheless Finally she could take it no more She put down the pencil and grasped the paper with shaking hands Why did I agree to run this thing What do I know about this stuff anyway With agonizing slowness Amanda opened up the paper to once again read those terrible words the words that she had committed to The thing she had promised to do Yes no problem Ms Moldiva Sure It ll be fun In large bold letters at the top of the crinkled sheet of paper were the words Wanted Organizer for Valentine s Day School Dance Amanda s shuddered It s going to be a disaster Join the Project Kids in their fourth big adventure as they come together to organize the Valentine s Day dance at A J Wilkins Intermediate School Along with the challenges of tackling their biggest project yet an age old question will test them to their limits Will cupid strike the Project Kids or even worse pass them by Parent Teacher Note The fourth project is their biggest one yet and the most varied and complex In addition to planning the dance as a project they will need to learn how to develop relationships and improve their communication skills as they engage with the whole school They will learn how to positively influence others and some tips on how to face up to bullies along the way
