Grammarvocab.com

I study in Govt. Pilot School. It has a new building with spacious rooms. It has a practical science lab for students. It has a big library. The playground of our school is very large and beautiful.

Our class teacher is very kind man. All the other teachers are also kind. The principal of our school is a very friendly man. We all live like a family here. The schools like ours are the real wealth of our country. I am proud of my school.

Postmodern Approaches to the Short Story Farhat Iftekharrudin, Joseph Boyden, Joseph Longo, Mary Rohrberger, 2003-03-30 Postmodernism as a mode of the contemporary short story has been clearly established and recognized by short story theorists But postmodern theory as pervasive as it has become among academics in the last half century has scarcely been applied to the short story genre in particular Many contemporary scholars nonetheless are currently making use of certain postmodern thematic approaches to help them determine meanings of particular short stories T Short story theory began with Edgar Allan Poe s review of *Twice Told Tales* a collection of stories by his contemporary Nathaniel Hawthorne But theoretical discussions of the short story languished until modernism and the new criticism provided impetus for further development Surprisingly though the next large critical movement postmodernism failed to address the short story as a genre But while there is little postmodern theory concerning the short story contemporary scholars have used certain postmodern critical approaches to help determine meaning This book demonstrates the effect of postmodern theory on the study of the short story genre The expert contributors to this volume examine such topics as genre and form the role of the reader cultural and ethnic diversity and feminist perspectives on the short story In doing so they apply postmodern theoretical approaches to international short stories be they in the traditional mode the modern mode or the postmodern mode The volume looks at fiction by Edith Wharton Henry James Katherine Mansfield and other authors and at Iranian short fiction the postcolonial short story the fantastic in short fiction and other subjects

Steps To English Composition Tom Thumb Essays Book 1 H. Martin, Tom Thumb Essays have been written for younger children who have just begun to do a bit of English Composition The essays given in the book are descriptive reflective and biographical The language is simple and easy to understand **Forum** ,1993 Contemporary English-Language Indian Children's Literature Michelle Superle, 2011-05-09 Concurrent with increasing scholarly attention toward national children s literatures Contemporary English language Indian Children s Literature explores an emerging body of work that has thus far garnered little serious critical attention Superle critically examines the ways Indian children s writers have represented childhood in relation to the Indian nation Indian cultural identity and Indian girlhood From a framework of postcolonial and feminist theories children s novels published between 1988 and 2008 in India are compared with those from the United Kingdom and North America from the same period considering the differing ideologies and the current textual constructions of childhood at play in each Broadly Superle contends that over the past twenty years an aspirational view of childhood has developed in this literature a view that positions children as powerful participants in the project of enabling positive social transformation Her main argument formed after recognizing several overarching thematic and structural patterns in more than one hundred texts is that the novels comprise an aspirational literature with a transformative agenda they imagine apparently empowered child characters who perform in diverse ways in the process of successfully creating and shaping the ideal Indian nation their own well adjusted bicultural identities in the diaspora and or their own empowered girlhoods

Michelle Superle is a Professor in the department of Communications at Okanagan College She has taught children s literature composition and creative writing courses at various Canadian universities and has published articles in Papers and IRCL
