Multimedia Stardom in Hong Kong Leung Wing-Fai,2014-11-27 This book details original research into the practices and discourse of multimedia stardom alongside changing social and cultural landscapes in Hong Kong since 1980 It examines the cultural and sociological significance of stardom in the region and the conditions which gave rise to such famous stars as Jackie Chan This book elaborates the distinction between multimedia stardom and celebrity asserting that in Hong Kong stardom has been central in the production and consumption of local media while demonstrating the importance of multimedia stardom as part of the cultural Chinese mediascape and transnational popular culture from both historical and contemporary contexts **From Civil Partnerships to Same-Sex Marriage** Nicola Barker,Daniel Monk,2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks

rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians

Potential Exports and Nontariff Barriers to Trade

Asian Development Bank, 2020-01-01 This publication explores how India could boost its exports by addressing nontariff trade barriers It focuses on sanitary and phytosanitary measures and technical barriers to trade and on export products that have the potential to increase their market share in Bangladesh Bhutan Maldives Nepal and Sri Lanka It considers options including legal reforms the upgrade of quality standards and laboratory equipment and institution building of accrediting bodies and conformity assessment bodies Practical recommendations suggest ways forward for both the public and private sectors

Teaching STEM in the Secondary School

Frank Banks, David Barlex, 2020-12-29 This book looks at the purpose and pedagogy of STEM teaching and explores the ways in which STEM subjects can interact in the curriculum to enhance student understanding achievement and motivation By reaching outside their own classroom teachers can collaborate across STEM subjects to enrich learning and help students relate school science technology and maths to the wider world Packed with ideas and practical details for teachers of STEM

subjects the new revised edition of this book considers what the STEM subjects contribute separately to the curriculum and how they relate to each other in the wider education of secondary school students describes and evaluates different curriculum models for STEM suggests ways in which a critical approach to the pedagogy of the classroom laboratory and workshop can support and encourage all pupils to engage fully in STEM addresses the practicalities of introducing organising and sustaining STEM related activities in the secondary school looks to ways schools can manage and sustain STEM approaches in the long term This new revised edition is essential reading for trainee and practising teachers those engaged in further professional development and all who wish to make the learning of science technology engineering and mathematics an interesting motivating and exciting experience for their students **Legacies of the Magdalen Laundries** Miriam Haughton, Mary McAuliffe, Emilie Pine, 2021-11-23 This collection raises incisive questions about the links between the postcolonial carceral system which thrived in Ireland after 1922 and larger questions of gender sexuality identity class race and religion This kind of intersectional history is vital not only in looking back but in looking forward to identify the ways in which structural callousness still marks Irish society Essays include historical analysis of the ways in which women and children were incarcerated in residential institutions Ireland's Direct Provision system the policing of female bodily autonomy though legislation on prostitution and abortion in addition to the legacies of the Magdalen laundries This collection also considers how artistic practice and commemoration have acted as vital interventions in social attitudes and public knowledge helping to create knowledge and re shape social attitudes towards this history Banks, Exchanges, and Regulators Randal C. Michie, 2020-11-26 Never have financial markets been subjected to a period of change as rapid and extensive as took place from the 1970s onwards In the 1970s global financial markets were controlled by governments compartmentalized along national boundaries and segregated according to the particular activities they engaged in This all disintegrated in the decades that followed under the pressure of market forces global integration and a revolution in the technology of trading One product of this transformation was the Global Financial Crisis of 2008 which exposed the fragility of the new structures created and cast a long shadow that we still live in today The response to that crisis has shaped the global financial system which has been tested once again by the coronavirus pandemic However none of the outcomes of this transformation were inevitable despite the forces at work They were the product of decisions taken at the time for a multitude of reasons Banks exchanges and regulators were faced with unprecedented challenges and opportunities as a revolution swept away traditional ways of conducting banking the methods used to trade in financial markets and the rules and regulations employed to enforce discipline In this book Randal C Michie provides an authoritative and unrivalled account of this upheaval based on a careful and exhaustive reading of the Financial Times over the last four decades using it to provide a source of material unmatched by any other in terms of depth and coverage By studying what happened and why in real time it is possible to explain the decisions taken that shaped the course of the transformation and its repercussions

The Potato Roy Navarre, Mark J Pavek, 2014-12-15 Potatoes are a staple crop around the world Covering all aspects of botany production and uses this book presents a comprehensive discussion of the most important topics for potato researchers and professionals It assesses the latest research on plant growth such as tuber development water use and seed production covers all aspects of pest management and reviews postharvest issues such as storage global markets and of course nutritional value and flavour
