Daley,Antoine Douaihy,2019-08-27 This family guide will help families and concerned significant others understand substance use substance use disorders SUDs treatment for SUDs therapies programs medication recovery and community resources relapse and co occurring medical or psychiatric disorders It will also focus on the impact of SUDs on family systems individual members including children and treatment services for the family *The Complete Family Guide to Addiction* Thomas F. Harrison,Hilary S. Connery,2019-06-14 The purpose of this book is to explain addiction and to help families and friends to deal with it successfully People who are struggling with addiction can also use this book to understand their situation and the resources that are available to help them And people who are wondering if they might have an addiction can use it to get a better sense of the nature and depth of their potential problem Part I explains the science behind addiction Part II looks at the emotional side of the problem and how families are affected Part III discusses many of the real world legal and practical issues that addicts often face and ways to keep them out of trouble Part IV provides a detailed overview of treatment options And Part V describes the recovery process and the most effective strategies to keep it going for the long term US of AA Joe Miller,2019-04-02 In the aftermath of Prohibition America s top scientists joined forces with AA members and put their clout behind a campaign to convince the nation that alcoholism is a disease They had no proof but they hoped to find it once research money came pouring in The campaign spanned decades and from it grew a multimillion dollar treatment industry and a new government agency devoted to alcoholism But scientists research showed that problem drinking is not a singular disease but a complex phenomenon requiring an array of strategies There s less scientific evidence for the effectiveness of AA than there is for most other treatments including self enforced moderation therapy and counseling and targeted medications AA s own surveys show that it doesn t work for the overwhelming majority of problem drinkers Five years in the making Joe Miller s brilliant in depth investigative reporting into the history politics and science of alcoholism shows exactly how AA became our nation s de facto treatment policy even as evidence accumulated for more effective remedies and how as a result those who suffer the most

often go untreated US of AA is a character driven beautifully written expos full of secrecy irony liquor industry money the shrillest of scare tactics and at its center a grand deception In the tradition of Crazy by Pete Earley and David Goldhill s Catastrophic Care US of AA shines a much needed spotlight on the addiction treatment industry It will forever change the way we think about the entire enterprise
