Heart of Darkness Joseph Conrad, 2018-09-27 I asked myself what I was doing there with a sensation of panic in my heart as though I had blundered into a place of cruel and absurd mysteries not fit for a human being to behold Charles Marlow s dark intuition here arrives at the culmination of his physical and psychological quest in search of the infamous ivory trader Kurtz in Joseph Conrad s most famous short story Heart of Darkness Ambiguously drawn to the powerful voice of this autocratic European who has become a self proclaimed ruler in an African colony Marlow is increasingly embroiled in Kurtz s life and death he is finally forced into a radical questioning not only of his own assumptions but also of the civilized and imperial pretensions of Western Europe Offering a freshly researched text based on the writer s original documents this edition presents a classic of early modernist fiction in a version that for the first time recovers Conrad s preferred wordings punctuation and narrative structure
