Wilkins, 2022-11-03 For over forty years of serving the ministry twenty eight years of service as the associational missionary for the Tuscaloosa County Baptist Association and for working with eighty seven churches and more than four hundred pastors and other ministers Jerry Wilkins have experienced all kinds of storms a ministry can encounter From heavy storms like hurricanes that can crumble a church s foundation to the smaller ones like headwinds petty quarrels and misunderstandings he has withstood them all With all that he s went through Jerry shares his insights and expertise on how to overcome all kinds of storms that may occur in the ministry and in the community Through his book *Smooth Sailing for Your Ministry How to Avoid Storms in Your Ministry* he imparts a comprehensive guide for pastors and leaders in the ministry on how to address the multitude of threats that the ministry would face He extensively tackles various factors that can affect the smooth sailing ways in the ministry Being able to identify and act on these threats and factors will eventually lead to growth development and a smooth sailing ministry For the sake of the community our family and the kingdom a pastor can successfully weather all storms he encounters with the help of this book It is a must read for any serious missionary or Christian shepherd *The Church of the Perfect Storm* Leonard Sweet, 2010-09-01

The church is heading into a perfect storm of cultural forces Will you sink beneath the waves or ride the winds of the Spirit An array of cultural forces is coming together to present the church with unprecedented challenge and unequalled opportunity Such category 5 realities as postmodernism postChristendom attacks on belief in God and the threat of global warming have coalesced to make a perfect storm that will leave people uncertain of their place in the world and all they have previously believed in Like the disciples when Jesus calmed the storm the church can cower and cry out for relief Or when everything is spinning and whirling in the

wind the church can go out to meet the storm embrace the gale and pass out kites From the Circuit Rider review Like other books Sweet has written and compiled The Church of the Perfect Storm is thought provoking and compelling The material flows in such a way that allows readers to grasp the gravity of the situation However as with most futuristic material there is also a sense in which readers may want to know Okay now what Where do we need to steer this ship Are mainline and evangelical churches so off course as to fail to weather the rising tides that are here and soon coming Readers of this volume may enjoy the description of a post Christendom world but they may also want to know more about the prescription for the days ahead Click here to read the entire review
