PART 1: SET UP THE LIBRARY ACQUISITION PROGRAM

I understand that: I am responsible for making, and keeping current plans and arrangements for the care of my dependent family members to permit me to be available for scheduled deployment, extended duty tours, field exercises, unaccompanied tours, Temporary Additional Duty, Permanent Change of Station, and other standard military obligations as determined by my command.

1998

I understand that I am responsible for making any/all necessary arrangements to ensure a smooth and rapid transfer of care for my dependents) and the continuation of my family care plan.

I am confident that the Board will find it reasonable, prudent, and in the best interests of the Corporation that the Compensation Committee be authorized to determine the compensation of the President and the Vice President of the Corporation.

I have designated as willing and able to carry out the responsibilities of caring for my dependent(s).

For all cases, $\alpha = 0.05$.

I have made a reasonable attempt to inform the non-consenting biological, or adoptive parent(s) of my child(ren) of the reason for the Family Case Plan and to gain their consent for those areas related to the care of our child(ren). (This is especially important when the designated caregiver is a third party.)

* This document is not a substitute for a will or other legal documents (e.g., custody agreements). It is advised that legal counsel be consulted to ensure that the Family Care Plan is supported by necessary legal documentation, especially in those circumstances that require transfer of dependent assets (e.g., Special Education, trust or joint 504 documents), and to ensure the Confidential Order (Case number 1) supports the Family Care Plan. Dependent children and other vulnerable individuals should be protected through appropriate legal arrangements.

I understand that I must have my Family Care Plan reviewed when checking in with my caseworker and at least annually thereafter, and that it is subject to additional audits as required.
