Spilled J. Rodu, 2022-10-25 Escaping a religion is one thing but overcoming it the lingering thoughts the mental scars the chastised parts that can't move you out of that dark corner is a monumental journey The days pass and sometimes it seems like you can't ever stop looking back or feeling the pain of the shards still scattered and struck within you How do we come to discover love truth acceptance beauty happiness when we were fed fake versions of all those things I drank from the cup but this book was my parasite cleanse We can learn slowly to move our bodies again and give ourselves what we need Let those thoughts spill out before they fester and collect back the parts of you that you were taught to throw out or shove down You've already done the hardest part by looking to the other side of the fence There's no more reason to be afraid so here we learn to find how beautiful the world actually is without a god whispering in our ear Through this poetry we will turn our bodies around and climb over that fence together No matter how broken and painful the pathway is we have the power to break through
