IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha Dealers and their service personnel. It has been compiled from basic service procedures relevant to the industry, and some specifically Yamaha products, are already known and understood by the users, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of important components and failure of the product or products as specified. For these reasons, not all of Yamaha product users, but all repair inquiries should be performed by an authorized Yamaha Dealer or its appointed service representative.

IMPORTANT: The presentation of this manual to any individual or firm does not constitute authorization, certification, recognition of any individual technical competency or position of service representative responsibility of any kind.

The data provided is believed to be accurate and applicable to the version indicated on the cover. The product, engineering, and service departments of Yamaha are continuously striving to improve Yamaha products. Modifications and alterations, inevitable and spontaneous, are subject to change without notice or obligation to notify. Should any discrepancy appear in use, please contact the distributor's Service Engineer.

WARNING: While working on device, maintain constantly. Electrical safety standards used have been recognized by grounding yourself to the ground line in the unit. Never grasp that wire coming to the face.

IMPORTANT: Turn the power OFF during disassembly and parts replacement. Replace all work before use again given to the user.
