ENGINEERING DYNAMICS

The background of the cover features a technical illustration of various mechanical systems. At the top, there is a diagram of a multi-link mechanism with joints and a spring. Below this, a large, detailed drawing of a helicopter rotor assembly is shown, including the hub and blades. At the bottom, there are smaller diagrams of mechanical components, possibly gears or bearings, and a section of a shaft. The entire illustration is rendered in a technical, line-art style with some shading to indicate three-dimensional forms.
