The Movie Maker:

Windows Movie Maker 2 Zero to Hero John Buechler, Jon Bounds, Jennifer Dehaan, 2013-11-11 You've seen the promises in the advertising Microsoft's free Movie Maker 2 will make it simple to capture, edit, and share your home movies. We agree, but how do you know where to start or where you're going? The answer is Windows Movie Maker 2 Zero to Hero, which will take you from filming your movie with useful tips to improve the quality through editing and adding effects to premiering your masterpiece to your friends and family. Zero to Hero is more than a catchy slogan and an opportunity for puns and graphical representations of tights, capes, and phone booths. It's a style of learning designed by friends of ED to reach beyond dry technical explanations and dusty old authors who don't know how it is for real users and wouldn't know good design if it slapped them round the face with a wet fish. With a Zero to Hero book, you can choose how you learn. You can choose to learn everything you need to know about Windows Movie Maker 2 by working through the first section of the book from start to finish. Alternatively, you can dive straight in to the inspirational Hero chapters and refer back as and when you need. Then later when you're a hero yourself, the book is easily used as a reference tool. When you're done, you'll be ready to wear your underwear on the outside, metaphorically speaking, of course. Getting Started with Windows Live Movie Maker James Floyd Kelly, 2010-06-07 Windows Live Movie Maker is a small but powerful movie editing application from Microsoft. It is a complete rewrite of the old Movie Maker software with a new audience in mind. The focus of this new edition is on giving you the power to quickly create movies and slideshows to share with your friends and family. The movies can be a combination of your favorite pictures and home movies set to your own soundtrack. You can add cool effects to transition between scenes and captions to add a narrative to your movie. With Movie Maker, users can edit digital video and photos, including adding music and narration. Apply animation effects to videos and photos. Create DVDs for personal use, including menu systems for navigation. *The Movie Maker* Herbert Kastle, 1972 **Billy Wilder, Movie-Maker** Karen McNally, 2014-01-10 Billy Wilder's work remains a masterful combination of incisive social commentary, skilled writing, and directing, and unashamed entertainment value. One of Hollywood's foremost emigre filmmakers, Wilder holds a key position in film history via films that represent a complex reflection of his European roots and American cultural influences. This wide-ranging collection of essays by an international group of scholars examines the significance of Wilder's filmmaking from a variety of original perspectives. Engaging with issues of genre, industry, representation, and national culture, the volume provides fresh insights into Wilder's films and opens up his work to further exploration. The Movie Maker's Handbook Christopher Wordsworth, Stephen Fyles, 1979 **I Was a Teenage Movie Maker** Don Glut, 2007-07-02 In 1953, a nine-year-old boy watched a prehistoric film called *Beast From 20,000 Fathoms*, featuring the special effect magic of Ray Harryhausen. Enthralled by the movie but unsatisfied with what was available for at-home movie consumption, he decided to make his own science-fiction thriller from dinosaurs to superheroes. This volume takes a firsthand look at the movie-making career of Don Glut. Beginning with his first

movie *Diplodocus At Large* at age nine it explores Glut's various attempts and the increasingly creative processes he used to bring his vision to life Through the course of the work Glut discusses his filmmaking experiences at the University of Southern California the inspiration he received and gave through fanzines such as *Famous Monsters of Filmland* and *Castle of Frankenstein* and the interest which his movies still generate Films discussed include *The Earth Before Man* *Spy Smasher* vs the Purple Monster *Dinosaur Valley Girls* and *Frankenstein Meets Dracula* A chronological filmography lists each of Glut's 41 films with notes regarding cast and a brief synopsis *The Movie Maker* Herbert Kastle,1969 **Movie Maker**,1981
