The Mr Mrs Happy Handbook:

The Mr. & Mrs. Happy Handbook Steve Doocy, 2009-10-13 Ever since Eve asked Adam Do I look fat in this fig leaf it has been apparent that husbands don't know how to relate to their wives Men believe they understand women and vice versa but really men know as much about women as a cocker spaniel knows about assembling a Weber grill Welcome to The Mr Mrs Happy Handbook Steve Doocy's laugh out loud perspective on love marriage and family The book can be used for its hilarious husband and wife wisdom or if things aren't going well as a projectile to get somebody's attention This is not an advice book It is a don't even think of trying this book The author his family and his collection of friends some very famous in the worlds of entertainment business and politics have already discreetly made almost every conceivable marriage mistake and it is their hope that this irreverent manual can save you the trouble of being an idiot on your own Doocy co host of Fox Friends who has been married for twenty consecutive years provides real slice of life stories on everything from early marriage I love you you're perfect now wear this thong and pregnancy You're eating for two Who you and Shaquille O'Neal to sending your child to college Is that a funnel and retirement high fiber appetizers on Viagra dates Most of the stories conclude with corrections and additional wise words from Doocy's real life wife Kathy who after two decades of picking up Steve's socks in the garage has developed a zany sense of humor herself There is also a handy troubleshooting section for when things go haywire like during the eye opening experiment undertaken especially for this book wherein the author wanted to prove to his wife that they were perfect for each other so he had them join an on line dating service Out of a database of several hundred thousand guys he was not in her top 532 local men Despite the fact that their one month experiment ended a year ago she's still getting photographs of single men whose head shots appear to have been taken at a recent skinhead convention Luckily for him she still prefers bonehead to skinhead This book is a celebration of the pageantry that is wedlock which starts with an I do and sometimes ends with a boiled rabbit Let's face it marriage isn't always as smooth as a forty year old's forehead after six months of Botox In fact marriage is ridiculously hard but laughing about it is now incredibly easy with The Mr Mrs Happy Handbook *The Mr. & Mrs. Happy Handbook LP* Steve Doocy, 2007-02-27 In this wonderfully irreverent look at romance Fox and Friends co anchor Doocy encourages readers to think of this book as an operators manual for dating marriage and children preferably in that order
