Crystal and Stone Massage Michael Gienger, 2015-01-24 A full color guide to crystal massage for healing energy balance and stress release in the physical emotional and energetic bodies Illustrates full body massage techniques with crystal wands crystal spheres polished stones and amber Details the healing properties of more than 50 crystals and gemstones and how to select the proper one for a specific condition Explains how to cleanse and recharge crystal gemstone and amber after each massage so energies are not transferred from one person to another In this full color illustrated guide Michael Gienger along with contributors Hildegard Weiss and Ursula Dombrowsky details the energetics and healing properties of more than 50 crystals and gemstones for use in massage The book explains how to select the proper crystal or stone to aid healing of a specific condition as well as for relaxation and stress release It illustrates specific massage techniques with crystal wands crystal spheres and polished stones that best utilize the crystal or stone s properties and shows how to perform a full body massage that works on several levels physical ethereal mental and spiritual depending on how the crystals are applied Explaining how crystals absorb energy and information during a massage the guide shows how to cleanse and recharge their energetic fields so energies are not transferred from one person to another It also details how to rebalance and replenish your own energy after giving a massage The book also includes a detailed chapter on the harmonizing effects of amber massage complete with a step by step illustrated massage sequence Amber s unique electromagnetic vibrations make it especially conducive to creating homeostasis in the body and thus a beneficial addition to any crystal or stone massage practice With this complete illustrated guide anyone can enhance their massage practice or self healing through the powerful effects of crystals gemstones and amber

[Yoga, Fascia, Anatomy and Movement, Second edition](#) Joanne Avison, 2021-05-28 From Anatomy to Architecture from Biomechanical to Biomotional and from Classical to Connected speaks to all bodies in all modalities in a world seeking unity and connection more than ever Yoga Fascia Anatomy and Movement was written partly as an appeal for Yoga Teachers to appreciate the depth and breadth of Yoga as a science a movement practice and a philosophy that fundamentally espouses wholeness as the basis of living

anatomy and form Yoga calls for unifying who and how we are and as teachers how we can help our clients who are all different move better Classical Anatomy in the West divides the body down into its component parts and traditionally unchanged for 400 years reduces its functionality to those parts usually described in a 2D iconic forms and founded in lever based mechanics In the East such reductionism was never espoused and Yoga Fascia Anatomy and Movement covers two huge bases to bridge the difference and upgrade understanding of Yoga to 21st Century anatomy The first is to recognise that the leading edge of Fascia Science changes all those reductionist views anatomically and biomechanically It is carefully explained in the first part of the book and shows how the New Science of Body Architecture actually makes perfect sense of yogic philosophy of union and wholeness The second is to take this paradigm shift and apply it in practice to the subtle understanding of the fascial architecture and how that helps us move better Yoga Fascia Anatomy and Movement attempts to ask questions find suitable research and make all this practical and applicable to teachers and practitioners of all types Indeed it teaches posture profiling and creating Class Mandalas to support this It is a contemporary yoga teacher s bible

Singing and Communicating in English Kathryn LaBouff,2007-12-21 In *Singing and Communicating in English* internationally renowned diction coach Kathryn LaBouff provides singers with an accessible guide to the principles of English diction they need to communicate the text successfully In addition to standard American and British English a variety of regional dialects and accents are covered in depth A companion website features a full range of vowel consonant drills poems read aloud by the author and veteran theater and voiceover actor John Keating as well as an instructor s answer key and publishers lists to help the singer locate a vast array of English language works for performance **New York Magazine** ,1994-05-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
