You: Staying Young Michael F. Roizen, Mehmet Oz, 2007-10-30 The body is the most fascinating machine ever created and nobody talks about it in ways that are as illuminating and compelling as Dr Michael Roizen and Dr Mehmet Oz Most people think of the aging of our bodies the same way we think of the aging of our cars the older we get the more inevitable it is that we're going to break down Most of us believe that at age 40 or so we begin the slow and steady decline of our minds our eyes our ears our joints our arteries our libido and every other system that affects the quality of life and how long we live it But according to Dr Roizen and Dr Oz that's a mistake Aging isn't a decline in our systems It's actually very purposeful The very systems and biological processes that age us are designed to help us when we're a little bit younger So what's our role as part of the aging population To learn how those systems work so we can reprogram them to work the way they did when we were younger Your goal should be die young at any age That means you live a high quality of life with everything from working joints to working genitals until the day you die At the core of this landmark book are the Major Agers 14 biological processes that control your rate of aging Some you've heard of some you haven't and some you never knew contributed to the aging process Some speed decline

others inhibit your repair mechanisms These Major Agers are everything from short telomeres and inefficient mitochondria to stem cells and wacky hormones The doctors explain the principles of longevity and many of the causes of aging and how to fight the effects The climax of the book is a 14 day plan to help you along your path to staying young The doctors want you to be able to integrate important processes into your daily life in order to make staying young routine but first you ll need to measure your real age and health right now Staying young encompasses your emotions and mental health as well as your exercise habits eating habits personal hygiene and genes among other things Wouldn t you like to know how to prevent your body from aging badly The original YOU book showed how bodies work in general and YOU On a Diet explained how bodies lose weight and stay fit Now in YOU Staying Young Drs Michael Roizen and Mehmet Oz illuminate the mysterious mechanisms with a lively metaphor the modern city What differentiates a vibrant and thriving city that ages gracefully from one that is worn down and rusted out Despite genetic differences which are like the geography upon which the city is built cities age differently because of the way residents treat their education system stem cells power plants mitochondria electrical grids brains transportation routes blood vessels and landfills fat You as mayor resident and street cleaner have the power to balance your biological budget to ensure a life that s both long and strong Thankfully just as cities can invest in renewal and improving their repair processes so can you YOU Staying Young is filled with signature YOU Tools including YOU Tests YOU Tips and visual and verbal metaphors to bring the science to life **You** Michael F. Roizen,2005

You-the Owner's Manual ,2005 **YOU: Being Beautiful** Michael F. Roizen,Mehmet Oz,2008-11-11 Most people think that beauty revolves around such things as lipstick sweet eyes or skinny jeans all those things that we can see and obsess over in the mirror But the fact is that beauty isn t some superficial pursuit and it s not some random act that you can thank or curse your ancestors for There are in fact scientific standards to beauty Beauty is purposeful because it s how humans have historically communicated who we are to potential mates Beauty in fact is really about your health and happiness In this groundbreaking book Dr Michael F Roizen and Dr Mehmet C Oz bust the myths and stereotypes about the way we view ourselves and how we define beauty In these pages you ll find out why beauty isn t as much about your vanity as it is about your humanity The doctors take a scientific informative and entertaining look at the three levels of beauty and explain how they all work together to form a complete and authentic YOU Those three levels of beauty are Looking Beautiful Your appearance influences your self esteem and has major health implications Here the docs will tell you how you can look the way you want Feeling Beautiful So what if you have luscious lips or gorgeous locks if your joints creak and you have the energy of a rug The docs will tell you how to improve your energy levels beat back your life altering aches and pains and come to grips with some of life s toughest stresses Being Beautiful By improving your relationships with your loved ones as well as with others you ll be well on your way to finding true happiness That s the ultimate goal Having all three levels of beauty working together so you can have a happy and healthy life You ll start off by taking the ultra revealing and validated

YOU Q Test to help you assess where you are on your own beauty scale and where you want to be Take the test see how well you do then use the book to help you improve your score With their usual candor and honesty Dr Roizen and Dr Oz break down the mechanics of beauty and explain how little adjustments in your routine can help you become a happier healthier person You will learn about the biology of beauty take YOU Tests to determine where you are on the beauty scale get tons of YOU Tips to help you improve your life as well as learn the secrets of the Ultimate Beautiful Day From hair to toenails Dr Roizen and Dr Oz go through every part of your body to explain how different foods vitamins creams gels and injections can really boost your looks They scrutinize the beauty myths that bombard us every day and offer an unbiased perspective on which ones cause more harm than good You will be able to revamp your beauty regimen or start a new one from scratch They ll also take a close look at chronic pain mood swings low energy and financial stresses And they ll dive into the science of building relationships finding happiness and using spirituality to help you define your own levels of true beauty Dr Roizen and Dr Oz act as tour guides navigating the tricky but exciting terrain of today s beauty industry YOU Being Beautiful is your all inclusive ticket into the world the real world of beauty **Steel's Ship-master's Assistant, and Owner's Manual**
